# SURINER'S MASTER OF PAIN. THE GREAT EXTERNAL REMEDY,

For Sprains and Bruzses, Burns and Scalds, Rheumatic and Neuralgic Panns, Swel-lings, Stiff Joints, Paralysis, or Numbness of the Limbs, Pains in the Breast, Side or Back;

Sore Throat, Tooth Ache, Frosted Feel, &c , &c.,

## And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve *Pain*. If you use it once you will not likely be without it again. You will find it a constant household friend, giving case and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-fering. There is hardly a pain it will not eas2.— There is hardly an accident that will occur where it will not be useful.

There is hardly an accident that will occur where it will not be useful. Should one of your family get burned or scald-ed cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-ling sensation—this is the five coming out. Keep it wet with the "Master of Pain" until the pain and prick ling consis. Let the wet cloth stay on for six or cight hours, after which apply some healing ointment or sweet oil. In mearly all causes of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limi's or Joints, it will give relief.— Rub it on freely with the hand or with a dhannel cloth until the skin becomes heated and burning. For soreness of the throat rub it on until it pro-duces a little soreness.

For Croup use it in connection with the Cough Syrup, by rubbing it on the chest. For Rheumatism and all deeps scated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the same

may be done. For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and

For Footh-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and cheeks with it. For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire. For Head-ache rub it on the forehead. It is called "Master of Pain." I did not give it this name-I don't like the name. When 4 first commenced making it it was without name or label. I made frand sold it by the ource at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many indes round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain. Reader-try it-take a hottle with you-use it whenever occasion requires give it a fair trial. Prenared he W E Shriner Westminister Md
