SHRINER'S MASTER OF PAIN. THE GREAT EXTERNAL REMEDY,

For Sprains and Bruises, Burns and Scalds, Rheumatic and Neuralgic Pains, Swel-lings, Sliff Joints, Paralysis, or Numbness of the Limbs, Pains in the Breast, Side or Back;

Sore Throat, Tooth Ache, Frosted Feei, &c., &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldon This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve *Pain*. If you use it once you will not likely be without it again. You will find it a constant konschold friend, giving case and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-fering. There is hardly a pain it will not ease.— There is hardly an accident that will occur where it will not be useful.

There is hardly an accident that will occur where it will not be useful. Should one of your family get burned or scald-ed, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-ling sensation--this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prickling ceases. Let the wet cloth stay on for six or eight hours, after which apply some healing ointment or sweet oil. In mearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.--Rub it on freely with the hand or with a finnel cloth until the skin becomes heated and burning. For soreness. For Group use it in connection with the Cough Syrup, by rubbing it on the chest.

For Croup use it in connectors. For Rheumatism and all deep seated pains, ¹⁷ the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over

checks with it. For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire. For Head ache rub it on the forehead. It is called "Master of Pain." I did not give it this name—I don't like the name. When I first commenced making it it was without name or label. I words it and sold it by the onnee at my Drug I made it and sold it by the ounce at my Drug Store. 1 had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many rain, and by this had be to became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result allower is from from pain
