For Sprains and Bruises. Burns and Scalds. Rheumatic and Neuralgic Pains, Swel-lings, Sliff Joints, Paralysis, or Numbness of the Limbs, Pains

in the Breast, Side or Back; Scre Throat, Tooth Ache, Frosted Feet, &c., &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving case and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-fering. There is hardly a pain it will not eass.— There is hardly an accident that will occur where it will not be useful. Should one of your family get hurned or scald-ed, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and

ed cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-ling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prick ling ceases. Let the wet cloth stay on for six or eight hoars, after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Lindss or Joints, it will give relief.— Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning. For soreness of the throat rub it on until it pro-duces a little soreness.

For soreness of the throat rub it on until it pro-duces a little soreness. For Croup use it in connection with the Cough Symp, by rubing it on the chest. For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

COLLECTIONS and all business pertaining to his Office will be attended to promptly. Will also attend to the sale or renting of real estate. Instruments of writing carefully prepared. Also, settling up partnerships and other accounts. May 2, 1861. For Pains in the Breast, Side or Back, the same

may be done. For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and

cheeks with it. - For Frosted Feet, apply the "Master of Pain"

I did not give it this name - i don't like the name. When I first commended making it it was without name or label.

commenced making if it was without name or label. I made it and sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the resul: always is freedom from pain.
