

NEGO SOLDIERS.—The Legislature of Tennessee has passed an act for the relief of volunteers, which authorizes the Governor to impress into the army all the free negroes of that state between the ages of fifteen and fifty years; being sound in mind and body. These volunteers are to perform such military services in the camp as may be required, and to receive therefor regular rations, with eight dollars per month as wages. This is all right, of course, as long as it is done in the South, but if a free black man in the north offers to shoulder and face death to assist in maintaining the supremacy of the Union, the cry is at once raised by the journals of the Patriot and Union like, that the government is encouraging the servile rebellion of the negro. It is time that such rebel policy was abolished, and every human being who loves this country, permitted to fight for its defence and perpetuity.—Harrisburg Tel.

BEDFORD CLASSICAL INSTITUTE.

THE 3d year of this Institution will open on Monday, Sept. 24, 1861. Miss E. D. Ward will act as Assistant in English and as sole instructor in Latin, French, German, Drawing and Painting. Experience has convinced the Principal, that there is no thorough and masterly education even for the mere English scholar without a drill in outline drawing (to which the first principles of the Perspective will be added.) How can the Diagrams of Geography, Natural Philosophy, Botany, &c., be thrown accurately upon the board, without previous training in Outlines? This exercise is invaluable, too, by impressing upon the mind a habit of precision and of the perception of proportion in all things. In the schools of Prussia the child is drilled in drawing from the moment he can hold a pen, and Horace Mann says, it is this early drill, which imparts that skill and accuracy of hand, which render the penmanship of the Prussian child, a model of legibility and elegance. In order to bring this invaluable accomplishment within reach of all; the Principal has resolved to charge but \$1, instead of 8 or \$10, per quarter, as usual where it is taught as an extra. Every member of the school will be required to pursue the study from 15 to 20 minutes every day.

The Principal would also desire to form the whole school, who have studied English Grammar, into a class in French at \$2 per Quarter. But this study is not made compulsory. It will however afford a most rare opportunity of pursuing, under an instructor who has studied French in Paris, and who is otherwise an accomplished scholar, a branch, whose usual cost is \$8 or \$10 per quarter.

No pupil will be received for less than one school year. Those who reflect, will doubtless appreciate the reasonableness of this rule. Deduction will be made only in case of prolonged sickness, or of similar extraordinary Providence. Upon the new School-House is ready for the reception of the school, it will convene for a few weeks in the basement of the Lutheran Church, which is central for all.

English Branches, \$4 and Classics, \$7, 50 per quarter. Drawing, (Periphrasy) \$1 French, \$2 Drawing, \$5, 00 each, per quarter. French, German, Gray Drawing, \$6, 00 for 12 lessons. Greek and Painting, \$6, 00. Oil Painting, \$10 per quarter. JOHN LYON, Principal.
