BEDFORD CLASSICAL INSTITUTE.

THE 3d school year of this Institution will open on Monday, Sept. 2d, 1861. Miss E. D. Ward will act as Assistent in English and as sole instruc-tor in Latin, French, German, Drawing and Painting. Experience has convinced the Principal, that there is no thorough and masterly education even for the mere English scholar without a drill in oulline drawing (to which the first principles of the Perspective will be added.) How can the Diagrams of Geography, Natural Philosophy, Botany, &c., be thrown accurately upon the board, without previous training in Outlines? This exercise is invaluable, too, by impressing upon the mind a habit of precision and of the perception of proportion in all things. In the schools of Prussia the child in all things. In the schools of Prussia the child is drilled in drawing from the moment is can hold a pen, and Horace Mann says, it is this early drill, which imparts that skil! and accuracy of hand, which render the pennanship of the Prussian child, a model of legibility and elegance. In order to bring this invaluable accomplishment within reach of all; the Principal has resolved to charge but \$1, instead of 8 or \$10, per quarter, as is usual where it is caught as an extra. Every member of the school will be required to pursue the study from 15 to 20 minutes every day.

The Principal would also desire to form the whole school, who have studied English Grammar, into a class in French at \$2 per Quarter. But

the reasonableness equity of this rule. Deduction will be made only in case of prolonged sickness, or of similar overraing Providence.— Until the new School House is ready for the re-ception of the school, it will convene for a few weeks in the basement of the Lutheran Church. which is central for all

SHRINER'S MASTER OF PAIN. THE GREA EXTERNAL REMEDY

For Sprains and Bruises, Burns and Scalds. Rheumatic and Neuralgic Parns, Swel-lings, Stiff Joints, Paralysis, or Numbness of the Limbs, Parns in the Breast, Side or Back;

Scre Throat, Tooth Ache, Frosted Feet, &c , &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving case and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-fering. There is hardly a pain it will not ease.— There is hardly an accident that will occur where it will not be useful.

it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prickling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and with line coarse. Let the wet cloth stay on it wet with the "Master of Pain" until the pain and prick ling ceases. Let the wet cloth stay on for six or eight hours. after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limts or Joints, it will give relief.—Rub it on freely with the hand or with a fiannel cloth until the skin becomes heated and burning.

For soreness of the throat rub it on until it produces a little soreness.

For Croup use it in connection with the Cough Syrup, by rubbing it on the chest.

For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the same may be done.
For Tooth-sche, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and cheeks with it.
For Frosted Feet, apply the "Master of Pain"

For Frosted Feet, apply the "master of Fain reely, and dry it in before the fire.

For Head sche rub it on the forehead.

It is called "Master of Pain." I did not give it this name. I don't like the name. When I first commenced making it it was without name or label. I made it and sold it by the ounce at my Drug-Store. I had no like then of metrics a house. I made it and sold it by the ounce at my Drug-Store. 1 had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when f had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result-alwars is freedem from pain.

always is freedom from pain.

Reader—try it—take a bottle with you—use i whenever occasion requires give it a fair trial.

From the Rev. Samuel Yingling. BEDFORD, Nov. 8, 1860. Mr. W. E. Shriner—Dear Sir: Upon several occasions I have used your Balsamic Cough Syrup, in my family and also on one occasion myself—when worn by frequent preaching, and with the

happiest results. SAMUEL YINGLING. BEDFORD Nov. 3, 1860. W. E. SHRINER-SIR: As you are about to intro-

duce your Balsamic Cough Syrup into our County. I will give you my experience with it, which you are at liberty to use if you think proper, some two years ago a box that was lost on the Pennsylvania Central R. R. found its way to my store, opened the box and found it to contain your Balsamic Cough Syrap. I had never heard of it at that time but a Mr. Aughinbaugh from your state happened to be present and said it was one of the best cough remedies in use and happening to need a caugh medicine in my family I determined to give it a trial, and so well pleased was I with its effects that I gave bottles of it to my friends all of whom agree with me in propouncing it the best cough two years ago a box that was lost on the Pennsylagree with me in pronouncing it the best cough remedy they have ever met with. We have used it for Coughs, Colds, Croup and Whooping Cough, and in every case it gave the most signal reliet.—

I used in my family some of the Gough Syrup refered to by Mr. Ferguson, and fully concur in the opinion expressed by him.
