commenced making it it was without name or label. I made it and sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain.
