SHRINER'S MASTER OF PAIN. THE GREAT EXTERNAL REMEDY,

For Sprains and Bruises. Burns and Scalds, Rheumatic and Acuralgic Pains, Swellings, Stiff Joints, Paralysis, or Numbress of he Limbs, Pains in the Breast, Side or Back; Sore Throat, Tooth Ache, Frosted Feet. &c . &c.,

and Everywhere. This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving case and relief just when reeded. Keep it constantly on hand and it will save you many hours of pain and suffering. There is hardly a pain it will not easy.—There is hardly an accident that will occur where it will not be useful.

And for the Relief o, Puin Anywhere

it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a pricking sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and pricking ceases. Let the wet cloth stay on for six or eight hours, after which apply some healing ointment or sweet oit. In nearly all cases it will not be useful. healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back Spine, Limbs or Joints, it will give relief.—
Rub it on freely with the hand or with a fiannel cloth until the skin becomes heated and burning.

For soreness of the throat rub it on until it produces a little soreness.

luces a little soreness.

for Croup use it in connection with the Cough
Syrup, by rubbing it on the chest.
For Rheamatism and all deep scated pains, if
the pain is not speedily removed by-rubbing with
the hand, lay a cioth wet with the liquid over the
part affected, and pass a warm smoothing iron over

For Pains in the Breast, Side or Back, the same may be done.

For Tooth-ache, drop it on cotton, and apply it on the nerve of the tooth, also rub the gums and

checks with it.

For Frosted Feet, apply the "Master of Pain" reely, and dry it in before the fire.

For Head ache rub it on the forchead.

It is called "Master of Pain." I did not give it this name—I don't like the name. When I first commenced making it it was without name or label. commenced making it it was without name or label. I made it and sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviste or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result alway, is freedom from pain.
