NEW VOLUME. On the seventh of Septem-ber, 1861, THE NEW-RORK WEEKLY TRIB-UNE commenced the twenty-first year of its exis-tence: THE DAILY TRIBUNE being some months Corner of West Pitt and Juliana St. tence: THE DAILY TRIBUNE being some months older and the SEMI-WEEKLY TRIBUNE some-what younger. For more than twenty years, this journal has labored in what its conductors have felt to be the cause of Humanity, Justice and Free-dom, endeavoring to meliorate the condition of the oppressed and unfortunate, to honor and en-courage useful exertion in whatever sphere, and, to promote by all means the moral, intellectual and material advancement of our country. It has aimed to be right rather than popular, and to es-pouse and commend to-day the truth that others may not be willing to accept till to-morrow. Iu pursuing this course, mistakes have doubtless been made and faults committed; but, having in all THE subscriber is opening at this well known stand, a well selected stock of Confectionaries, Tobacco, Segars and Groceries, consisting in part of coffee, brown, crushed and pulverized sugars, of coffee, brown, crushed and pulverized sugars, refined and golden syrups, baking molasses, young hyson, imperial and black tea, chocolate, corn starch and flavoring extracts, chease, corn brooms, painted buckets, dusting, wall, scrub, horse, shoe, tooth and hair brushes; Confrictionaries, such as plain and fancy candics, fruited candies and flavor-ed jellies; water, butter and sweet crackers.-Foraga fruits, oranges, lemons, figs, raisons, prunes, dates, currants, citrons, filberis, walnuts, cream nuts, almonds, pea nuts; Tobacco, congress plag, sweet plantation, natural leaf, rough and ready, Lynchburg, smoaking, a superior article, cut and dry, &cc., &cc., Cegars, opera, sixes, half Spanish, and a variety of other brands. The pub-lic are respectfully invited to give him a call.-All kinds of country produce taken at the high-est market price. But no goods sold on credit. J. B. FARQUHAR. Nov. 8, 1861. pursuing this course, mistakes have doubtless been made and faults committed; but, having in all things incited our readers to think and judge for themselves rather than adopt blindly our own or others' conclusions, we believe we may fairly claim for this journal the credit of having qualified its readers to detect and expose even its own errors. To develop the minds of the young by the most general, thorough and practical Education, and to encourage and stimulate Productive industry, through free grants of Public Lands to actual set-tlers and cultivators, as also through the protec-tion of immature or peculiarly exposed branches tron too powerful foreign competion, and among the aims to which this journal has adhered through good and evil report, and which it steadfastly com-mends to American patriotism and philanthropy. As to the Civil War now devasating our coun-try, we hold it to have originated in a Rebellion LETTERS of Administration having been gran ted to the subscribers, on the estate of R. H. Hut-chison, late of Bedford township, dee'd., all persons indebted to said estate, are hereby notified to make immediate payment, and those having claims against the same, will present them proper-ly authenticated for settlement. JOSEPH HUTCHISON, JNHN W. SCOTT, Nov. 1, 1861.

try, we hold it to have originated in a Rebellion more wanton, wieked, inexcusable, than was ever before known-a Rebellion in the interests of the few against the many—a Rebellion designed to raise higher the walls of caste and tighten the chains of oppression. Having done al we could without a surrender of vital principles to avoid this War, and witnessed the forbearance, meekness, and long suffering with which the Federal Government sought to avert its horrors, we hold it our clear long suffering with which the Federal Government songht to avert its horrors, we hold it our clear duty, with that of every other citizen, to stand by the nation and its fairly chosen rulers, and to sec-ond with all our energies their efforts to uphold the Union, the Coustitution, and the supremacy of the Laws. And, though the Rebellion has become, through usurpation, deception, terrorism, and spoilation, fearfully strong, we believe the Ameri-can Republic far stronger, and that the unanimous, earnest efforts of loyal hearts and hands will insure its overthrow. But on all questions affecting the objects, the scope, and duration of this most ex-traordinary contest, we defer to those whom the American People have clothed with authority, holding unity of purpose and of action indispen-sable in so grave an emergency. In a crisis like the present, our columns must be largely engrossed with the current history of the War for the Union, and with elucidations of its more striking incidents. We shall not, however, remit that attention to Literature, to Foreign Af-fairs, to Agricultural Progress, to Crops, Markets, &c., &c., which has already, we trust, won for THE TRIBUNE an honorable position among its cotemporaries. Our main object is and shall be to produce a comprehensive newspaper, from which a

As our facili-ties for acquiring information increase with years, we trust that an improvement in the contents of our journal is perceptible, and that, in the variety and fulness of intelligence afforded, we may still hope to "make each day a critic on the last." In this hope, we solicit a continuance of the generons measure of patronage hitherto accorded to our iournal. Many families give from 50 to 75 cents per week, for washing, who, by this method can save from iournal.
