

BEDFORD INQUIRER.

ough and uniform system of education.

Resolved, That we believe a properly conducted Institute to afford one of the best means of improvement and instruction to the teacher, and that it is the duty of the directors and citizens to establish and maintain such Institutes.

Resolved, That in the "Pennsylvania School Journal" we recognize a periodical, which on account of its intrinsic merit, and practical applicability of the articles it contains, should be carefully read by every teacher, and supported by all friends of education.

Resolved, That we rejoice to see that the Bedford Gazette has opened its columns to the discussion of educational matters, and that we therein recognize an auxiliary that will exert a good influence on the cause of common schools in Bedford County.

And, Whereas, a number of the members of this Association, who have heretofore been active participants in its proceedings; have taken up arms in the defense of our Union and our Constitution, therefore,

Resolved, That deeply as we regret their absence from this body of teachers, we at the same time feel proud that this Association is represented in the Grand Army of the Potomac.

Resolved, That we return our thanks to the citizens of Bedford for their kind hospitality in entertaining teachers and members of this Association; and to the County Commissioners for the free use of the Court House.

Resolved, That this Association tender its thanks to the lecturers who have favored us with their productions during the present annual meeting.

Resolved, That we regret that the educational column formerly published in the Bedford Inquirer has ceased to exist, and that we would rejoice to see the same reopened.

Resolved, That the editors of the county papers be requested to publish a synopsis of the proceedings of this Association.

Mr. Dickerson made some remarks on the following subject: "How can a reliable and uniform standard of professional attainment be secured throughout the State?" After which the question: "Is six hours too long for the school day?" was sustained by Dickerson, Kinsey, Scott and Geisler, and approved by Gallion. The "Singing Class" then sang "The Evening Star," "Indian Melody" and several other pieces of music.

On motion adjourned to meet for a semi-annual session, on Friday, June 20th, 1862, at 11 o'clock, P. M.

B. F. KERR, Secretary.
G. SIGAFOOS, President.

CASH TERMS.

On account of the hardness of the times and the pressing demand for cash upon us, we have determined to receive cash terms as far as possible.

Hereafter we must have the cash for all Orphans' Court printing; Auditor's Notices, Estrays, &c.; also all Probationary's printing, occasional advertisements and handbills.

All new subscribers are also expected to pay their subscriptions in advance.

We do not think Executors, Administrators, and Auditors have need to complain at this change of terms. They can almost at any time raise the few dollars that it will require to pay the Printer's bills. It will save labor to them, and be of immense benefit to us.

THE LADY'S FRIEND.

GODEY'S LADY'S BOOK FOR 1862.

The World's Favorite.

For 22 Years the Standard Magazine. Pronounced by the Press of the United States, THE BEST LADY'S MAGAZINE IN THE WORLD, and the cheapest.

THE LITERATURE is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copied, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS. All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE SHEET FASHION PLATES. Containing from five to seven Full Length Colored Fashions on each plate. Other Magazines give only two.

FAIR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA. Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and public. The publication of these plates cost \$10,000 more than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it.—We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes.

LADIES' WORK TABLE. This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES. No other magazine has this department.

TERMS, CASH IN ADVANCE.
