THE LADY'S FRIEND.

GODEY'S LADY'S BOOK FOR 1862.

The World's Favorite. For 32 Years the Standard Magazine. Pronounced by the Press of the United States, THE BEST LADY'S MAGAZINE IN THE WORLD, and the cheapest.

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the 'Godey's.'

THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music store; but most of it is copyrighted, and cannot be obtained except in 'Godey's.'

OUR STEEL ENGRAVINGS. All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

IMMENSE DOUBLE SHEET FASHION-PLATES, containing from five to seven full length Colored Fashions on each plate. Other Magazines give only two.

THE FASHIONS are the only work in the world that gives these immense plates, and are such as to have excited the wonder of publishers and public.

These fashions may be relied on. Dresses may be made of them, and the sewer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are as far superior to any others.

IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapest.

DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes.

LADIES' WORK TABLE. This department comprises engravings and descriptions of every article that a lady wears.

MODELS. No other magazine has this department. TERMS, CASH IN ADVANCE.

NOTICE. HAVING debts of our own to pay, we respects to fully call upon all persons knowing themselves to be in our debt, to pay up.

This notice is not intended for those of our friends who pay us promptly, but especially for a certain large class, who having purchased our goods, never trouble themselves about paying for the same.

Many of the latter having had the use of our capital so long, must really imagine they have a better right to it than ourselves.

To this class we now say, in language which we hope they will not misunderstand—'we want at least a portion of means in their hands—to meet our own liabilities—and if kind invited to 'pay up' will avail not—we will try a harder though unpleasant remedy—and that very shortly.
