

The Washington correspondent of the *Norristown Free Press* states that the full length portrait of ex-President Franklin Pierce has been removed from the rotunda of the Capitol, and cast among the rubbish.

In the town of Marcy, Oneida county, N. Y., on Saturday evening last, a lady named Hutchinson, and her daughter, were so badly burned by the explosion of a kerosene lamp that they died in a few hours.

Lately a man presented himself at the White House, and addressed the President, who was then seated in the presence of the President, when he began making a speech, asserting that he (the intruder) was "elected President in 1856." He was captured by one of the guards and sent to the provost-marshal's office, where he gave his name as Francis Xavier.

A Paris letter in the *Independence of Brussels*, says that M. de Rothschild & Co., have arranged with the Italian Government for the purchase of its railways. The contract of sale has been signed by M. Minghetti on the one hand, and by M. de Rothschild and Talat on the other. The purchasers will take possession of the whole network of the Italian railways with the fixed rolling plant on the 1st of October next. They also engage to make a considerable advance of funds to the Government immediately, and have further promised to respect the rights of the railway officials to a certain extent.

THREE CHILDREN BURNED TO DEATH.—On Wednesday afternoon last, the wife of a man named Ser, who lives at Walnut Creek, a mile or two south of Erie, Penn., left her three children at home alone, and locked up the house to visit a neighbor. During her absence the house took fire in some way, and burned down. The children perished in the flames. The oldest was four years of age. We cannot conceive of anything more horrible than an occurrence of this kind. It shows how careful mothers should be in leaving their little ones alone with fire near them.

Some ten years ago one Charles Lawrence, at that time a resident of Lancaster, Mass., suddenly disappeared, and all traces of him were lost. A few days ago, however, a man chopping in the woods near Lancaster discovered a human skeleton with such evanescent features as to identify it with that of the missing man. Lawrence had six toes on one of his feet, and the same peculiarity was observed in the skeleton. A small note contained proof which leaves no doubt that the remains found were those of Lawrence.

The Rev. Dr. Breckinridge, in a speech at Danville, Kentucky, having asserted that Governor Bramlette had prepared a proclamation which he afterward withdrew calling on the people forcibly to resist the execution of the negro enrollment law, the *Louisville Journal*, says:—"We state with the utmost positiveness, as we are justified in stating, that Governor Bramlette has prepared no proclamation other than the one he issued before he saw Dr. Breckinridge, and that he called the Doctor to Frankfort, not to learn from him what to do, but to endeavor to engage him in carrying out what was already determined. We make this statement in perfect candor, on personal knowledge."

The metropolitan sanitary fair is a big thing, and a great many people see it. All New York is excited over it, and all the hotels are full of people from the country who have come to see the great sight.—The rush of people was so great on the one day that tickets were placed, at 50 cents that the committee put the price up again to \$1, but the crowd continued to be just about as large, and the daily receipts are of course a good deal larger. All of the exhibition is interesting, but the gallery of fine arts is especially attractive, for their was probably not so fine collection of paintings ever gotten together in this country before. The richest private galleries in New York, and other cities have been emptied to add to the glories of this exhibition, and the lovers of the fine arts are in ecstasies over it. Of course the true test of the success of the fair is the amount of the proceeds, which already exceeds half a million dollars. Pretty well for the first five days; but there is a good deal more coming yet.

A New York correspondent of the *Springfield Union* relates the following:—"The following story I have directly from a gentleman to whom Commodore Vanderbilt himself, last night, told it. The finance committee of the fair called upon the Commodore, and solicited at his hands a donation. He answered that he would give to the fair as much as any other man in New York.—Thereupon, the committee visited Mr. A. T. Stewart, and reported to him the offer of the Commodore.—Stewart at once drew his check for \$100,000, and handed it to the committee, and they, armed with the check, again waited upon the Commodore, and showed him the contribution of Stewart. Vanderbilt had been coming other people for quite a while in Harlem street, but this time he found himself cornered. However, he was as good as his word. He covered Stewart's check with a check of his own for a like amount."

A FIFTY THOUSAND DOLLAR REWARD.—In 1868, a gentleman, walking on the outer end of Meigs's wharf, had his hat blown off by a summer afternoon gust of wind, and, in trying to catch it before it went over board, he tripped on the plank and tumbled head foremost into the waters of the bay. The tide was running a strong flood at the time, and, as he came up to the surface, Special Officer Van Ness, who happened to be on the dock at the time, and seeing the man was in danger of drowning—not being a swimmer—plunged in after him and rescued him from death. This was not accomplished without great danger to the officer, but both men succeeded in being landed on the dock. The rescued man gave his name as Charles Bernard Egerson, and offered to handsomely reward him, but Mr. Van Ness refused to accept anything for his humane act. A short time since Mr. Egerson died in Liverpool, and left Officer Van Ness a legacy of \$50,000.—*Alta Californian.*

CATHOLIC OPINION OF A COPPERHEAD LIE.—We alluded some weeks ago to a hand bill sent to us from Ireland, in which a person using the signature of "Sacredos" took occasion to drug the name of the Holy Father before the public in the advocacy of rebellion and disloyalty. The scandalous and abusive hand bill has been circulated freely throughout Ireland. Its author is a certain Rev. John Bennett, formerly of Missouri, and a chaplain in the Southern Army. He is the same person who took the letter of Jeff. Davis to the Pope. There are now many clergymen in Ireland, France and Rome who have pledged to exchange the American for other nations. These men are doing all in their power to make the prophesy true, that the North would prosecute the Church. If disloyalty and treachery and calumny can accomplish their object they are likely to attain it. The gratification of their political prejudices and the preservation of Slavery, with all its vile associations, appear to be nearer the hearts of some men than the diffusion of the Church or preservation of what has already acquired.—*Cincinnati (Catholic) Telegraph.*
