FROM THE HON. THOMAS B. FLORENCE. FROM THE HON, THOMAS B. PLORENCE. Washington, January 1, 1864. Gentlemen .- Having stated it verbally to you, I have Gentlemen.—Having stated it verbally to you, I have no hesitation, in writing the fact, that I experienced marked benefit from your Hoodland's German Bitters. During a long and tedious session of Congress, pressing and oner ous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. Itook his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.

Truly your friend,

Trowas B. Flotinson.

I am the recipient from you of one of the greatest favors that can be conferred upon man, viz: that of health. For many years have I suffered from one of the most annoying and debilitating complaints that the human family can be afflicted with. Chronic Diarrhea.

During the long time I was suffering from this disease, I was attended by regular physicians, giving me but temporary relief. The cause seemed to remain until I was induced to try Hoofland's German Bitters. After the use of a lew bottles of that valuable medicine, the complaint appeared to be complaint

Mesers, Jones & Evans—Gentleman;—My mother-in-law has been so greatly benefited by your Hoofland's Ger-man Bitters that I concluded to try it myself. I find it to be an invaluable topic, and unhesitatingly recommend it to all who are suffering from dyspepsia. I have had that disease in its most obstinate form—flatulence—fer many

years, and your Bifters has given me case when every thing else had failed. Yours truly, Julius Lie. From the Hon. JACOB BROOM,

Gutlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in produced by the use of Hoofland's German Bitters, in my family, I have no besitatien in saying that it has been highly beneficial. In the instance, a case of dyspepsia of highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second affecting a cure, and the third, it seems has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it I find it to be an unequalled tonic, and sincerely recommend its use

Messre. Jones & Evans—Gentlemen:—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the networs system. Numerous remedies were recommended by friends and some of them tested, but without reiref. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable mention of the Bitters induced me also to try them. I must confess that I had an aversion to Patent Medicines, from the 'thousand and one' quack "Bitters' whose only aim seems to be to palm off sweetened and drugged biquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicine preparation, I took tak with happy effect. Its action was not upon only the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived grey and permañent Lencis from the use of a few bottles.

Dr. Jackson: — Dear Sir: — I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times; been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very unsterially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours, T. Winner, Roxborough, Ps.

Dr. C. Jackson: Respected Sir.—I have been troubled with Dyspepsis nearly twenty years, and have never used any medicine that did me as much good as Hoofapa's Bitters. I am very much improved in health, after having taken five bettles.

Yours with respect, J. S. Hennas.
