"THE OLDEST INHABITANT."—The Gettysburg Star says: Mr. Levi Osborne, of Straban township, has brought out of a trap, which has lived on the same plantation for a period of one hundred and fifty-four years—according to the initials and date carved on the shell. It bears the initials "M. T. 1710." It has been frequently picked up during the last eighty years by Mr. Osborne, and by his father before him, who first settled on the place, and it is known to be the same identical terrapin. It has always been found nearly on the same spot—never wandering more than the distance of a few acres from the place.
 OIL EXCITEMENT IN FAYETTE.—The recent discovery of oil in Greene county, and the great excitement consequent thereon, have led to an examination of oil indications in Fayette county. The University Standard says: "Quite a number of our citizens having visited Dunkard creek and observed the indications, aside from the actual possessions of the oil, such as the peculiar appearance of the surface soil, the cropping out of rocks peculiar to low formations, the relative positions of the coal veins to the surface, &c., &c., were induced, from their similarity to several points in Fayette, to lease some of the most available territory and commenced a thorough investigation immediately. Brown ran a stream running through German township, and emptying into the Montgomery, and another in a stream running through the hills above Davidson's ferry, and the farm of John Pain, on Redstone creek, a few miles below Uniontown, seem to be the particular points of attraction. Companies are formed—one of them sinking a well, and the other will be ready to go into operation in a few days. The indications at these points are such as to almost insure success—oil and gas appearing in such quantities as to justify the conclusion that all that is needed to put Fayette to a par with her sister county in the oil trade is but to sink the shaft."

BANNVART'S TROCHES,
 For the cure of Hoarseness, Throat Diseases, &c., are especially recommended to Ministers, Singers, &c. persons whose vocation calls them to speak in public.
 Read the following TESTIMONIALS, From some of our Eminent Clergymen.
 HARRISBURG, Feb. 24, 1864.
 C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and Throat Troubles, and in comparison with them all, can cheerfully commend your own as most efficacious, specific for public speakers and singers, in cases of Hoarseness, coughs and colds. I have found them serving in time of need most effectually.
 Yours truly,
 N. H. ROBINSON,
 Pastor N. S. Presbyterian Church, HARRISBURG, Jan. 18, 1864.
 To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches. I consider them very far superior to any Lozenge that I have ever used, in removing spool. It has broken the force of the voice arising from the most reasonable terms.
 Yours truly,
 JNO. WALKER JACKSON,
 Pastor of the Locust Street Methodist Church, HARRISBURG, Pa.
 To C. A. BANNVART—Dear Sir—Having used your Troches, I am free to say they are the best I have ever tried, and take great pleasure in recommending them to all persons afflicted with sore throat or hoarseness of voice arising from public speaking or singing.
 Yours, &c.,
 G. G. RAKESTRAW,
 Pastor of Ridge Avenue Methodist Church, HARRISBURG, Pa.
 I agree with Mr. Robinson as to the value of Bannvart's Troches.

HOSFETER'S CELEBRATED

STOMACH LIVER AND BOWELS.
 A pure and powerful Tonic, corrective and Alternative of wonderful efficacy in disease of the
 STOMACH LIVER AND BOWELS.
 Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Bilious Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.
 Its nature that is not spurious, genial and restorative in its action enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no very exciting or irritating matter. It is a combination of the extracts of pure balsamic herbs and animal matter, with the aid of all diffusive stimulants.
 It is well to be forewarned against disease, and so far as human systems are concerned, it is human nature, against maladies engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.
 In districts infested with Fever and Ague, it has been found invaluable as a preventive and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourges and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvellous medicine. Fever and Ague patients, after being pained with quinine for months in vain, will find relief with Hostetter's Bitters. It is a powerful and irrefragably established to health within a few days by the use of Hostetter's Bitters.
 The weak stomach is rapidly invigorated and the appetite restored by its use. In humors and chronic disorders in cases of Dyspepsia and in less confirmed forms of indigestion. Acting as a gentle and powerful aperient, as well upon the liver, it is invariably found to relieve the most distressing and irregular action of the digestive and secretory organs.
 Persons of feeble habit, liable to Nervous Attacks, Loss of Spirit, and Fit of Languor, find prompt and permanent relief from Hostetter's Bitters. The testimony on this point is most conclusive, and from both sexes.
 The agony of Bilious Colic is immediately assuaged by a single dose of the Stimulant, and by occasionally resorting to it in the return of the complaint, may be prevented.
 As a general Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Feebleness, Decay of Strength and Debility, arising from Old Age, it exercises an electric influence. In the convalescent stages of all diseases it operates as a restorative, and in the return of the system to health, it is a powerful aid. Last, but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the other medicinal Stimulants of the day.
 No family medicine has been so universally, and it may be truly said, deservedly popular with the intelligent portion of the community as this Bitters. Prepared by HOSTETTER & SMITH, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere.
