Washington, January J. 1864. Gentlemen.--Having stated it verbulg to you, I have no hesitation, in writing the fact, that I experienced mark-ed benefit from your Hoofand's German Bitters. During a long and tedioas session of Congress, pressing and oner-ous dutice nearly prostrated me. A kind friend suggest-ed the use of the preparation I have named. I took his advice, and the result was improvement of health, renew-ed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be. Mesers, Jones & Evans-Gentlemens-I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nerrouss system. Numerous remedies were recommended by presons who had tried them, and whose favorable montion of the Bitters induced me also to try them. Upon learning that yours was really a medicine preparation, I took it with happyeffect. Its action was not upon only the stomach, but upon the nervous system, was prompt and gratifying. I feet that I have derived great and permanent benefit from the use of a few bottles. Yery respectfully yours, W. D. SEIGUERDED.
