GRAND UNION MASS MEETING!

The Union Men of Bedford county will assemble in Mass Meeting in Bedford on Saturday Oct. 1st at 1 o'clock P. M. Let there be a full turn out of all true Union Men from every township and borough of the county. Hon. John Cessna and several prominent speakers from abroad will address the meeting.

JNO. LUTZ, G. W. RUPP,
Sec'y. Chairman Union Co. Com.

Professor Wickersham's Lecture.

PROFESSOR WICKERSHAM delivered a lecture in the Presbyterian Church last Friday evening, on the "Characteristics of an American Education." The speaker remarked that he had made no special preparation for the occasion, but would present a few thoughts in such language as would occur to him at the time. The address was evidently unwritten, but pleasantly and forcibly delivered. The large audience listened with marked attention and interest until the close. We present a brief synopsis.

FIRST:—Universality should be one of the characteristics of American Education. It might be said that this should be a feature of education in every land, and it would be well if such a consumation could be attained. But there is a special necessity for this in a Republic, where all are sovereigns. The crowned heads of Europe, and all invested with authority are, or ought to be thoroughly educated.—They think, they act, they legislate for the people.—But in America *all* are rulers, and hence all should be educated. Every voter should be able to excercise his elective franchise intelligently. The humblest honest man in the law has a power at the polls great as that of the candidate for presidential honors.

SECONDLY:—American education should be *free*.—This it must be if we ever hope to make it universal. The wealthy must educate the poor. It is for their interest to do so. Education diminishes the number of paupers and inmates of county prisons and penetentiaries. The more intelligent a community the more valuable the property of those composing it. The greater the facilities of educating our children which a certain locality furnishes, the more desirable a residence in it. The erection of that beautiful school building on the outskirts of your pleasant village has increased the value of your property.

THIRDLY:—American education ought to be *sound and thorough*. There is too much education which is merely superficial. Too many *finish* their education when it is only fairly begun. Young men hurry through the common school academy, and college, and are engaged in business before they are prepared for it. We ought to learn a lesson from the old world. Young ladies get a little smattering of grammar, history and philosophy; learn a little French, Spanish, or Italian, then their education is finished, they devote their precious time to the dissipating novel, the sensational romance, and sit in parlors, when they ought to be engaged in the stern duties of life; informing their minds, and doing something to elevate the race.

FOURTHLY:—American education should be *conservative*. Attachment to old forms is not meant, we should progress, But we should hasten slowly, "*Festina lente*," is the scholar's motto. There is too much radicalism, hobby riding, arrogance of opinion in this day. Men run off on this track. The summit of earthly good is yonder. They are men of one idea, They think all others obtuse who do not see just as they do or who do not exert *all* their energies in precisely that direction in which they are going with the speed of the lightning express. The educated man is humble. His range of vision is wide. He moves deliberately. He considered the *many* interests of his fellow-men, and seeks to advance them all.

LASTLY:—The education of American youth should be *patriotic*. Love of country should be instilled and cultivated. We ask not for *partyism*, but *patiotism*. Our children and youth should be students of history. They should be made familiar with the deeds of our fathers, the experience of revolutionary days-the patriotic, persevering, self sacrificing efforts of noble men and women which resulted in the erection of this Temple of Liberty which is the joy, and glory of our land. It is pleasant to hear children express their attachment to their native land, and speak with pride of its grand old mountains, majestic rivers, beautiful vallies, and fertile plains. We like to hear them sing such national songs as "The star spangled banner," "Yankee doodle," and "rally round the flag boys." Let all be patriots.

May the American people be distinguished for their education, universal, free, thorough, conservative, and patriotic. Following up the chain of knowledge link by link, may we all pass through the mists of ignorance and skepticism, up to the light and glory and felicity of a better land.

BROWN'S BRONCHIAL TROCHES are offered with the fullest confidence in their efficacy; they have been thoroughly tested, and maintain the good reputation they have justly acquired. For Military Officers and those who often over tax the voice, they are useful in relieving an Irritated Throat, and will render articulation easy. To the soldier exposed to sudden changes in the weather they will give prompt relief in Coughs and Colds, and can be carried in the pocket to be taken as occasion requires.

U. S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum,—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of $50, $100, $500, $1,000 and $5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificate of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit:

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one-quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deduction for commissions must be made from the deposits.

SPECIAL ADVANTAGES OF THIS LOAN.

IT IS A NATIONAL SAVING BANK, offering a higher rate of interest than any other, and *the best security*. Any saving bank which pays its depositors in U. S. Notes considers that it is paying in the best circulating medium of the country, and it *cannot* pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than *nine per cent. premium*, and before the war the premium on six per cent, U. S. stock was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

ts Exemption from State or Municipal Taxation

But aside from all the advantages we have enumerated, a special Act of Congress *exempts all bonds and Treasury notes from local taxation*. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for the deposits:—The party depositing must endorse upon the *original* certificate the denomination of notes required, and whether stocy are to be issued in blank or payable to order. When endorsed it must be left with the officer receiving then deposit, to be forwarded to the Treasury Department.

SUBSCRIPTIONS WILL BE RECEIVED by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by the

FIRST NATIONAL BANK OF ALTOONA,

and by all National Banks which are depositaries of public money, and

ALL RESPECTABLE BANKS AND BANKERS throughout the country will give further information and AFFORD EVERY FACILITY TO SUBSCRIBERS.

U. S. 10-40 BONDS.

THESE Bonds are issued under the Act of Congress of March 8th 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government, at any period *not less than ten nor more than forty years* from their date, and until their redemption **Five Per Cent. Interest will be Paid in Coin**, on Bonds of not over one hundred dollars annually. The interest is payable on the first days March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the Books of the U. S. Treasurer, and can be transferred only on the owner's order. Coupon Bonds are payable to order, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent for premium,) or receive them drawing interest from the date of subscription and deposit.. As these Bonds are

Exempt from Municipal or State Taxation,

their value is increased from one to three per cent per annum, according to the rate of tax levies in various parts of the country.

At the present rate of premium on gold they pay

OVER EIGHT PER CENT. INTEREST

in currency, and are of equal convenience as a permanent and temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith and ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is holden to secure the payment of both principle and interest in coin.

These Bonds may be subscribed for in sums from $60 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded debt of the United States on which interest is payable in gold, on the 3d day of March, 1864, was $768,-975,000. The interest on this debt for the coming fiscal year will be $45,937,126, while the customs revenue in gold for the current fiscal year ending June 30th, 1864, has been so far at the rate of over $100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to $150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than **Ten Millions a Week.**

Subscriptions will be received by

All National banks

which are depositaries of Public money, and all
RESPECTABLE BANKS AND BANKERS
throughout the country, (acting as agents of the National Depository Banks.) will furnish further information on application and
AFFORD EVERY FACILITY TO SUBSCRIBERS.

TESTIMONIALS,

From some of our Eminent Clergymen.

HARRISBURG, Feb. 8th, 1864.

C. A. BANNVART—*Dear Sir:* I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and Throat Troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of Hoarseness, coughs and colds I have found them serving in time of need most effectually.

To C. A. BANNVART—*Dear Sir:* In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches. I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c.,
JNO. WALKER JACKSON,
Pastor of the Locust Street Methodist Church.

To C. A. BANNVART—*Dear Sir:*—Having used your Troches, I am free to say they are the best I have ever tried, and take great pleasure in recommending them to all persons afflicted with soar throat or huskiness of voice arising from public speaking or singing.
Yours, &c.,
G. G. RAKESTRAW,
Pastor of Ridge Avenue Methodist Church.

Gentlemen.—Having stated it verbally to you, I have no hesitation, in writing the fact, that I experienced marked benefit from your Hoofland's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. Truly your friend,
THOMAS B. FLORENCE.

From John B. Wickersham, Esq., firm of Wickersham & Hutchison, the celebrated Manufacturers of Fancy Iron Works, 259 Canal St.

I am the recipient from you of one of the greatest favors that can be conferred upon man, viz: that of health. For many years have I suffered from one of the most annoying and debilitating complaints that the human family can be afflicted with, Chronic Diarrhea.

During the long time I was suffering from this disease, I was attended by regular physicians, giving me but temporary relief. The cause seemed to remain until I was induced to try Hoofland's German Bitters. After the use of a few bottles of that valuable medicine, the complaint appeared to be completely eradicated.

I often inwardly thank you for such a valuable specific and, whenever I have an opportunity, cheerfully recommend it, with full confidence in its reliability.

Truly yours, JOHN B. WICKERSHAM.

Messrs. Jones & Evans—Gentlemen:—My mother-in-law has been so greatly benefitted by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and unhesitatingly recommend it to all who are suffering from dyspepsia. I have had that disease in its most obstinate form—flatulence—for many years, and your Bitters has given me ease when everything else had failed. Yours truly, JULIUS LEE.

From the Hon. JACOB BROOM,
Philadelphia, Oct. 7th, 1863.

Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitatien in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.

Truly yours, JACOB BROOM,

Rev. W. D. Seigfried, Pastor of 12th Baptist Church, Philadelphia, December 26th, 1863.

Messrs. Jones & Evans—Gentlemen:—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable mention of the Bitters induced me also to try them. I must confess that I had an aversion to Patent Medicines, from the "thousand and one" quack "Bitters" whose only aim seems to be to palm off sweetened and drugged liquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicine preparation, I took it with happy effect. Its action was not upon only the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours,
W. D. SEIGFRIED,

From the Rev. Thos. Winter, D. D., Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks County, Pa.

Dr. C. Jackson:—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect, J. S. HERMAN.
