A GREAT VICTORY !

WAR DEPARTMENT, WASHINGTON, Oct., 20th, 10 A. M. 1864. To Maj. Gen. Dix, N. Y.

A great battle has been fought and a substan tial victory won by Gen. Sheridan yesterday, over Longstreet at Cedar Creek. Forty-three pieces of artillery captured, and many prisoners, amongst whom was Rebel Gen. Remsure. On our side Generals Wright and Ricketts were wounded and Gen. Bidwell was killed.

E. M. STANTON, Secretary of War:

CHANGED-The place of teachers examination for Mans Choice is changed to Buffalo Mills.

S. Nycum Esq., sends us the official vote of Capt. Weaverling's Company. Union 71, 3 Democrat. Meyers 1.

Gen. Koontz is elected by a majority of three hundred over Coffroth. King is elected by a somewhat larger majority over Kimmell. Ross and Armstrong are elected over Findley and Meyers.

20 needle-cases.
2 packages lint.
15 large packages old linen and muslin.
4 bee sose pads.
2 balls soap.
4 packages Harpers' Magazine.
Also a quantity of religious newspapers, magazines, sermons and other reading matter. THE RESULT IN BEDFORD COUNTY. -The vote in this county shows a falling off, compared with the vote for Governor last year one thousand votes-on Con. gress 984, on Judge 1009. Of these the Democrats lose 300, we lose 700, just the number of Union men that have enlisted in the army-and stayed at home. Probably a few of the 300 Democrats enlisted ; but the larger part of them are absent from home, pending the late drafts. This result should be regarded as encouraging, for November.

A SLANDER REFUTED .- It would be useless to attend to all the calumnies now floating through the Copperhead press, but one of the most frequent, viz: That President Lincoln receives his salary in gold, is refuted by Mr. Crittenden of Vermont, the late Regi ister of the Treasury, who had charge of all payments of that kind. Mr. Lincoln and all of his Cabinet receive the ordinary greenbacks, just like ordina- tioned, and expressing the hope that this liberality ry men in ordinary business, and the regular income will be continued. We shall look with confidence to tax is regularly deducted from Mr. Lincoln's salary the gentlemen for further contributions in money to just as it is from every other saltry. THE WAR FOR THE UNION.

Richmond papers of sunday show that the bat the on Friday week created the most intense ex-citement and uneasiness in the Rebel Capital.— All business was suspended, and every person ca-pable of bearing arms, working on fortifications To those who have so generously contributed to or otherwise aiding in repelling Grant's raiders, was hurried to the front. The *Empirer* contain advertisements from schools, stating that they have been suspended on account of the teachers during the last eight months, for the comtort of the We have devoted one entire day, (Thursday) of being compelled to lay down the pen for the sword. Trains on railcoal companies were suspended.— Theatres and other places of amtisement were all closed. Express companies could make no delive-ries, the derks being out with the local forces.— All persons employed in printing offices, between the ages of sixteen and twenty-five, were ordered to enroll themselves, and an officer appointed to see that this order was complied with. All the Union prisoners confined in the city were rapidly hurried further South. The *Examiner* says: "The papers, by a mistaken piece of policy, claim that the Confederates won a victory, on Friday." Referring to the need of more tro cops, the *Enquir*-er says: "Let the call be enfore ed, not merely in Richmond, but on every farm, in every house and g compelled to lay down the pen for the sword. we have been unable to do any thing for want of funds and other supplies. If the means were furnished we would cheerfully continue our efforts in this good work. A letter received, a few days since, from Philadelphi, acknowledging the receipt of our last box, urges us strongly to persevere, as there is a great demand for the articles we have been supplying, such as red flannel shirts and drawers, cotton shirts and drawers, handkerchiefs, towels, bandages, Richmond, but on every farm, in every house and in every cabin in Virginia, and of all other States for the loss of Richmond is the immediate loss of Since the last Report, the following articles have been forwarded to the "Woman's Penna. Branch" of "U. S. Sanitary Commission," 1307 Chesnut St. Virginia

General Butler having learned that the Rebel General Butler having learned that the Rebel aushorities call on former masters of slaves to come forward and reelaim them from among the colored soldiers captured from the Union army, and also that many of these negro troops had been put to work in the trenches of the enemy's works in his front, has given notice to Robert Ould, the Rebel Exchange Commissioner, that he will retal-iate be assigning an equal number of Rebel prison-ers in his possesion to hard labor, and already some of them have been put to work digging the Dutch Gap eanal. General Butler has also made a prop-osition to Mr. Ould for the exchange of all naval prisoners held on both sides. risoners held on both sides. Reliable intelligence has been received from

Gen. Butler's Department concerning the barbar-tities perpetrated by the Rebels upon colored troops who have fallen into their hands. Lient, Viers, of the Fifth United States colored troops, who was wounded and taken prisoner in the recent assault on Fort Gilmer, asserts in a letter to Major Hart, that after the assulting tracts had actioned the CANNED FAULT. 12 cans peaches; 6 cans cherries; 2 cans quinces; 4 cans apples; 3 cans blackberry jam; 29 cans apple butter; 2 glasses blackberry jam. 12 cans peaches; 6 cans cherries; 2 cans quinces; 4 cans blackberry jam; 29 cans apple

The hints of a failure of Gen. Meade in the recent advance of Grant's army have grown into a state-ment by telegraph to the New York World that Gen. Grant ordered Gens. Meade and Warren to assault the rebel fortifications in their front, at the time II sacks dried apples; 3 do. dried peaches; 2 do. dried cherries; 1 do. dried whortleberaies; 1 do dried raspberries; 1 do. peaches; 4 bottles blackberry col-dial; 4 bottles wine; 1 jar pickleilly; 2 bottles pepper hash; 1 package cocca; 1 keg apple batter. The Society also forwarded abox of Fancy Articles to the Great Central Fair which was held in Phila-delphia in June, 1864. the army of the James made its successful demon stration, and that they united in a protest agains stration, and that they writed in a protest against the order, saying that the rebel works were so strong it would be impossible to carry them, and that the attempt would involve a terrible loss of life, where-upon they were both relieved of their commands. The arrival of Gen. Warren and staff at Washington some days ago, give some probability to this report. Gen. Hancock is suggested as the probable succes-sor to Gen. Meade. We cannot close this report without acknowledg-ing our indebtedness to the ladies of the town and neighborhood for many of the articles above mensor to Gen. Meade

THE SHOOTING OF MOCK IN ST. CLAIR TOWNSHIP .--We gave last week some account of the shooting of F.edrick Mock on election day in St. Clair township. The three soldiers, (one of whom was charged with committing the act,) have been arrested and sent to Chambersburg for trial before a military tribunal in accordance with an act of Congress applicable to their case. On Friday the 14th inst. J. A. Trout of St. Clair, was brought before H. Nicodemus Esq. of this berough, on a warrant issued on information made by John Aldstadt. Sheriff, and John W. Crismade by John Aldstadt. Sheriff, and John W. The *Register* says, notwithstan-ding the many vicissitudes of his prison life, Major White looks tolerably well—a little thin in flesh— and is rapidly being invigorated by the healthful air of freadom which he is once more committed to and is rapidly being invigorated by the healthful air of freedom, which he is once more permitted to breathe. Four different times, during his captivity, he made efforts to escape, but was foiled each time. Once he was at large some three weeks, eluding search, and had reached a point within twenty-five miles of Knoxville, when he was again caught. The Richmond authorities constantly imposed harsh treatment upon him—subjecting him to life in dun-geons, and sickley places, without room for exer-cise, and without fire in winter.

The Rebels are Democrats.

Look at the rebellion from beginning to end and you will find that it has been engineered by Demi-ocrats. You cannot forget that James Buchanan, a Democratic Cabinet, while the rebellion was al-lowed to organize and to gather strength without interruption. Wherever you look now in the ro-bellion, there you find the old Democracy, into which is absorbed John Bell and his followers, arrayed against their country. Look at individu-als ; you will find that all now in rebellion were at its outbreak, Democratic States. It is natural that the Northern associates and allies of these rebells should be engaged in devising apologies for whether the Union as it was or the Union as itis, there is not a single Republican in arms against rebellion. Suter, Jacob Walter, James Beegle, John W. Crisman, Jacob Aldstadt, and John Fenster, testified in effect that Trout had directed the soldiers to arrest Mock, or if they could not arrest him to shoothim. On the oth-er hand Trout denies that he gave the soldiers any direction to arrest mock or do any thing else with him. James Rininger, Gideon Trout, Henry B. Mock, Abner Walker, Samuel Penrose, Morgan Prosser Mahlon Penrose, and Josiah Penrose, that Mock ad others were noisy and endeavoring to cre-ate disturbance on Gideon Trouts premises, after the polls closed. James Rininger was present when it was alleged, that Trout gave orders to arrest or shoot Mock. He swore that Trout gave orders to arrest or shoot Mock.
