Gentlemen.—Having stated it verbally to you, I have no hesitation, in writing the fact, that I experienced marked benefit from your Hoofland's Germaa Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggeded the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.

Truly your friend,

During the long time I was suffering from this disease,
I was attended by regular physicians, giving me but tenporary relief. The cause see ned to remain until I was

appeared to be completely cradicated.

Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Eitters, ir my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the so- ond officiating a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six yeers. In my individual use of it I find it to be an unequalled tonic, and six y recommend its not to the sufferers.
