

 Not he seme experiment mant mater enidence of the

Fate or Meclellan, if Elected.

 our approaching Presidential election, and all con-
curredin the beilif that if Meclellan is elected $h$ he platform. "If he his not,", said one (and all the re
astented.) "he will be adead man within thirty de
aser his inne
 war debt, and the $d-d$ Adolitionitsts shall bay bhot in
They ever atter the treasonable doctrine of abolis ing slavery". I asked who would kill McClellan
"Three hundred thonsand men would quarrel for the 'privelege of doing it, if only his life stood between
us and suceess,", was the prompt reply.
theese meliev
these mere perfectly sincere in their declarations; and if Mc Clellan should be elected, and a attemptions to
put down the rebels, I woulduot give tenpence for
bis life.
