It costs us more than three times as much to print it now, than it cost our predecessor three years ego. Paper, the chief item of expense, cost him 325.00 a year. It is now costing us for paper, at the rate of \$1313.76 a year! VISIT ARS .- Mr. King, editor of the Fulton Republic an, and Mr. Fletcher of McConnellsburg, paid our town a visit last Thursday. We hope they appresciated the signs of thrift, progress and improve I sent, everywhere more or less apparent to the intelfigent observer. The editor was considerably car ried away with our new power press, but the though line, brought on a fit of extreme dejection. We sympathize with him on that subject. We were glad to know that the Republican is flourishing and easy, as it is patriotic and racy.

GEORGE D. HALL.-From an advertisement appearing in another column, it will be seen that Mr. Hall, who is widely and favorably known among our business men, succeeds to the business of Lyon, Shorb & Co., in the manufacture and sale of iron, in this city. Mr. Hall has for nearly ten years been in charge of the business of the house in the West, in whose hands it has greatly prospered, and no one who has had dealing with him will fear that, under his sole control, the high reputation which the house has achieved will suffer any dimination.-St. Louis Democrat.

As the engineers have completed the survey and cation of this new road from Connellsville to Bedpart of the line in operation before attempting any other. But it is not true that the rest of the work is to be abandoned. The Huntingdon and Broad Top Railroad extends to Bedford, at which place it will meet this new road and connect with it. From Bedford to Connecte this is not rough to be built without some very heavy tunnel-work through the mountains, and when finished it is obvirously the best policy to put the road in operation by means of the Broad Top connection. Whereas. We have received the sorrowful intelligence that our worthy Brother, Ephraim F. Barnett, a private in the Army of the United States, lost his life by the ill-treatment of the enemies of our country while a prisoner in Georgia, therefore. Resolved. That we deeply deplore the sad fate of our deceased brother who had to endure so many hardships during his captivity.

Resolved. That although our deceased brother suffered much in life, yet we learn, he bore all affiction and persecution with resignation and forbearance, and we do now, as heretofore, esteem his conduct as becoming a good citizen and a true soldier.

Resolved. That although we mourn the loss of so kind a brother, who as a citizen and soldier was respected and esteemed by all who knew him, still we hope the change which is such a sad loss to us, was gain for him and that he receives the blessings that

FROM THE HON. THOMAS B. FLORENCE. Washington, January 1, 1864. Washington, January 1, 1864.

Gentlemen.—Having stated it verbally to yon, I have no hesitation, in writing the fact, that I experienced marked benefit from your Hoofland's German Bitters. During along and tadious session of Congress, pressing and energus duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. Itook his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.

Truly your friend,

THOMAS B. FLORENCE.

Iron Works, 259 Canal St.

I am the recipient from you of one of the greatest favors that can be conferred upon man, viz: that of health. For many years hat'e I suffered from one of the most annoying and debilitating complaints that the human family can be afflicted with, Chronic Diarrhea.

During the long time I was suffering from this disease, I was attended by regular physicians, giving me but temporary relief. The cause seemed to remain until I was induced to try Hoofland's Gorman Bitters. After the use of a few bottles of that valuable medicine, the complaint appeared to be completely eradicated.

I often inwardly thank you for such a valuable specific and, whenever I have an opportunity, cheerfully recommend it, with full confidence in its reliability.

Truly yours,

John B. Wickersham,

I have had that disease in its most obstinate form—flatulence—for many years, and your Bitters has given me ease when everything else had failed. Yours truly, JULIUS LEE.

From the Hon. JACOB BROOM,

Philadelphia, Oct. 7th, 1863.

Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitatien in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third, it seems, has confirmed the entre, for there has been no symptoms of its return for the last six years. In my individual use of it I find it o be an unequalled tonic, and sincerely recommend its use to the sufferers.

Truly yours,

JACOB EROOM,

Rev. W. D. Seigfried, Pastor of 12th Baptist Church, Philadelphia, December 28th, 1863. Messrs. Jones & Evans—tientlemen: I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nerwus system. num erous reacties were recommended by riends, and some of them tested, but without relief. Your Hoofkand's German Bitters were recommended by persons who had tried them, and whose favorable mention of the Bitters induced me also to try them. I must confess that I had an aversion to Patent Medicines, from the "thousand and one" quack "Bitters" whose only aim seems to be to palm off sweetened and drugged liquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicine preparation, I took it with happy effect. Its action was not upon only the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully y 2 s. W. D. SEIGFRIED, No. 254 Shackamaxon St.
