

OUR TERMS, as we have published conspicuously for more than six months, are \$2.00 strictly in advance, \$2.25, if three months or more in arrears, \$2.50 after the close of the year. No consideration man who wishes our paper to prosper, will ask for less. It costs us more than three times as much to print it now, than it cost our predecessor three years ago. Paper, the chief item of expense, cost him \$25.00 a year. It is now costing us for paper, at the rate of \$13.75 a year! Our other expenses are happily not increased in this proportion, but they are more than double what they were, at the time we speak of. These facts may be taken as an urgent request for every subscriber to pay up his arrears, and if convenient make an advance payment. We need money! WE ARE VERY MUCH IN NEED OF MONEY!! WE MUST HAVE MONEY!!!

TO OUR DEBTOR SUBSCRIBERS.—Our subscribers out of the County and State are requested to remit the amount of their subscriptions, \$2.25, if more than three months in arrears.

AS APPRENTICE to learn the art of Printing, will be received in this office. Application should be made immediately.

BOROUGH MEETING.

The Republican Union citizens of Bedford Borough held a meeting in the Court House on last Monday evening, the 27th ult., for the purpose of nominating a Borough ticket.

The meeting was called for by Hon. S. L. Russell, who proposed D. E. Mann, Esq., for chairman. The resolution was unanimously adopted. On motion, J. R. Durborow was chosen Secretary.

After a few interchanges of opinion in regard to the object of the meeting the following ticket was nominated:

- Justice of the Peace, J. W. LINGENFELTER, LEVI AGNEW. Judge of Election, WILLIAM GEPHARDT. Inspector, MARTIN MILLBURN. Constable, JONATHAN BRIGHTBILL. Assessor, JOHN R. JORDAN. School Directors, SAMUEL L. RUSSELL, DAVID F. MANN. Chief Burgess, THOMAS M. LYNCH. Assistant Burgess, WILLIAM W. SHUCK. Councilmen, ROBERT MONTGOMERY, PETER H. SHIRES. High Constable, SHANNON MULLIN. Auditors, NATHAN McMULLEN, JOHN BELMIRE.

After the adoption of the above ticket the Secretary read the following resolutions which were drafted at the request of the meeting, and which were unanimously adopted:

Resolved, That in the opinion of this meeting the management of the Common Schools of the Borough of Bedford ought to be changed and a High School established.

Resolved, That we are opposed to the present plan of measuring wood brought to the Borough for sale, as it has operated injuriously to our citizens and does no good to any one except the seller and the wood merchant.

Resolved, That the condition of our water works is disgraceful, and we trust that the people will elect Burgess and Councilmen who will give them the attention their importance demands.

Resolved, That we pledge our united support to the election of the ticket presented by this meeting upon the basis of the above resolutions, and further that these proceedings be published in the Bedford Inquirer. On motion, Adjourned.

Soldier's Orphans.

A number of Soldiers' Orphans of this county have been accepted by the Superintendent of Soldier's Orphans of Pennsylvania and assigned to school at McAllisterville, Juniata county, Pa.—There are still a large number that might and ought to be provided for in this manner. Quite a misapprehension exists in some parts of the county in regard to the disposition the State will make of these pupils on their arrival at the age of fifteen.—For the purpose of quieting any fears that may be entertained by nervous mothers in relation to this matter we quote from the School Journal, for Jan., 1865, the following reply of Mr. Burrows, the State Superintendent, to a question as to whether the children would be bound out, provided the parents or guardians desired otherwise. Mr. Burrows says: "They will not. Only such will be bound out as desire it in writing, on or before arrival at the age of fifteen; and this desire must then also be assented to by the mother or nearest relative. And in case of such request and assent, the binding out will only be to such employment, and to such a master as the orphan and the mother shall select, with the consent of the Superintendent. If this request be not made, the orphan, at fifteen, will be restored to the Mother."

The committee, John W. Lingenfelter, Esq., Chairman, J. R. Durborow, Mrs. Anna Shuck, Mrs. Adam Carr, and Miss Emma Barclay are ready to furnish applications, and to assist any person or persons who desire to avail themselves of the provisions made by the state.

The Hancock Veteran Army Corps.

We call the especial attention of our veterans to the advertisement of the above Corps in our columns of this morning. We have every faith in the management of the recruiting, as well as in the able and tried officer whose name it bears. Mr. Franklin, the gentleman who conducts the recruiting department in this State is said to be an energetic man, one who stands deservedly high in the estimation of the National Government. His official position has enabled him to obtain full knowledge of the bogus substitute, bogus-jumping business, loafers and swindlers generally, and he is therefore competent and anxious to protect the veteran against all charpers. The bounties offered are certainly on the most magnificent scale yet offered to the public. Read the advertisement and then call for a circular at this office.

Dr. E. B. Foote, 1130 Broadway, New York, read his notice in another column of this paper.

THE DRAFT.

The following is a complete list of the drafted men, drafted last week at Chambersburg, for the various sub-districts composing this county. Bedford Borough having made an effort to raise volunteers to fill her quota, the time for drafting has been extended. We hope that a sufficient sum of money will be raised to induce men to volunteer, and thus save us from a second conscription. We have been frequently asked whether men who paid commutation during 1864 will be exempt. We answer once for all, they will not.

Where is William H. Roland?

An individual calling himself by this name and sporting a profusion of jewelry, came to Johnstown in the early part of October last. He represented himself to be engaged in the purchase of grain for the Government. At a party given at Whisky Spring, a short distance out of town, Roland met Miss Louisa Strenel, a daughter of Mr. Henry Strenel, a shoemaker of the neighborhood. The grain contractor professed to fall in love with Louisa, and prevailed upon her to marry him. The ceremony was duly solemnized on the 20th of Oct. Roland remained with his wife until the 17th of November, when he left her, saying that he was going to Tyrone to ship grain. His wife has not since seen him nor heard from him. It has been ascertained that he went to Tyrone, but not to buy grain. Where he went from there is not known. It is a clear case of fraud and desertion. The deserted wife asks us to give publicity to the facts, in hope that the scoundrel may be arrested and punished. Roland was probably not his true name. He left with his wife a few books and some shirts, upon the latter of which, is marked the name "E. A. Irwin." Roland is perhaps thirty five years old, about five feet six inches in height and has a remarkably high forehead. He said that he had resided in Massillon, Stark county, Ohio.—Johnstown Tribune.
