LIEUT. JOHN NELSON .- We take great pleasure in being able to chronicle the unconditional release of our friend and fellow citizen. Lieut. John Nelson, who returns to his distressed family after an absence of six months, during which time he has been sub-jected to confinement in Old Capitol Prison, Wash-

our friend and fellow citizen. Lieut. John Nelson, who returns to his distressed family after an absence of six months, during which time he has been sub-jected to confinement in Old Capitol Prison, Wash-ington, D. C. We are at a loss to understand what the charges, were, that, for so long a time, deprived him of his liberty, but feel asstred that the punishment inflict-ed upon him, has been more than commensurate with all the harm he has directly, or indirectly, committed. Lieut. Nelson has, for a long time, lived among us, quietly pursuing his avocation of miller, to obtain a support for his large family. In the earlier part of the present unhappy war, he en-listed under the flag of his country, and how well and faithfully he served, a broken shoulder and mis-sing leg bear silent, butpainful, testimony. He now returns to us again to enter upon his former busi-ness. We bespeak in his bebalf a cordial support from the community in which he has gone to reside. His reputation as an excellent miller, is well estab-lished. He has in his possession a silver medal, awarded him by the Pennsylvania State Agricultural Society, in 1866; when some fourteen of the best mills in he State were in competition with him ; also, the premium of the Blair county exhibition in 1855; and the one granted at the exhibition of Bed-ford county, in 1860. We print these commendatory words, because

hope others will re Bedford Gazette.

An article, word for word like the above, was offered to us last week for publication. We declined to publish it, because the facts in the case were not given. The reader of the above is expected to believe that the charges upon which Lieut. Nelson was arrested were not known to him -probably concealed by the Government, in the oppressive exercise of its lawless tyranny. This we thought was asking too much, since it was so notorious to every body in this community, that Lieut. Nelson was arrested and kept in confinement on a charge of passing counterfeit money in the army. We hope these charges have been proved groundless, as would seem from the circumstance of his discharge .- We are sure we wish him all success in his present calling ; but must remind him in the most friendly feeling, that though, we may sympathize with him in his misfortunes, we can not undertake to shield him

from the consequences of alleged misconduct by charging, without proof, injustice upon others to-wards him. 107 Capt. John S. Stuckey of the 136th has re-

ceived an honorable discharge from the army, and returned home in this county. The Captain has seen some pretty rough service, and comes off with the loss of a leg.

Norice .-- Subscribers changing their residence will please inform us of the Post Office, at which they have last received their paper, as well as the one to which they wish it directed hereafter.

An interesting letter from the army is given on the inside of this paper.

A supply of handsomely printed judgment exemption notes for sale at this office.

THE THROAT .- Families would do well to keep always at home a box of Brown's Bronchial Troches a simple but most marvellowsly efficacious specific for affections of the throat, affording prompt relief in cases of coughs, colds, bronchial troubles, etc. Singers and public speakers will find them also excel-lent to clear the voice and render articulation won-derfully easy.--Monthly Magazine.

SOTHER COPPERHEAD OUTRAGE.-The Fultor blican, of the 16th inst., says that for the last or three weeks a gang of Copperheads from ord and Fulton counties have congregated in p's Gap, in that county, from which they have ly sallied forth, stealing and destroying the erty of Union men wherever they came across it. These call aloud for vengeance. How long must people suffer for the want of adequate milita-
