Rev. W. D. Seigfried, Pastor of 12th Baptist Church
Philadelphia, December 26th, 1863.

Messrs. Jones & Evans—Gentlemen:—I have
recently been laboring under the distressing effects
of indigestion, accompanied by a prostration of
the nervus system. Numerous remedies were
recommended by friends, and some of them tested,
but without relief. Your Hoofland's German Bitters were recommended by persons who had tried
them, and whose favorable mention of the Bitters induced me also to try them. I must confess
that I had an aversion to Patent Medicines, from
the "thousand and one" quack "Bitters" whose
only aim seems to be to palm off sweetened and
drugged liquor upon the community, in a sly
way; and the tendency of which, I fear, is to
make many a confirmed drunkard. Upon learning that yours was really a medicine preparation,
I took it with bappy effect. Its action was not
upon only the stomach, but upon the nervous syatem, was prompt and gratifying. I feel that I
have derived great and permanent benefit from the
use of a few bottles. Very respectfully yous,

From the Rev. Thos. Winter, D. D., Pastor of Rorough Baptist Church
Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland Gorman Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your Gorman Bitters, I did so, and have exprienced great and unexpected relief; my health has been every materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. N. Hrrman, of the German Reformed Church, Kutztown, Berks County, Pa. Dr. C. Jackson; — Respected Sir :— I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Washington, January 1, 1864.

Gentlemen.—Having stated it verbally to you, I have no hesitation, in writing the fact, that I experienced marked benefit from your Hoofland's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.

suffering from dyspepsia. I have had that disease in its most obstinate form—flatulence—for many years, and your Bitters has given me ease when everything else had failed. Yours truly,

From the Hon. JACOB BROOM,

Philadelphia, Oct. 7th, 1863.

Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitatien in saying that it has been highly beneficial. In one instance, a case of dysepesia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it 1 find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.

Truly yours,

JACOB BROCM,
