The address of Mr. Sample was an admira

which I saw a sergeant pick up, asking us

After getting safely through the first line o

UNION MEETING.

A meeting of the Union men of Bedford county will be held in the Court House, on Tuesday eve ning of Court week, for the purpose of appointing a Delegate to the State Convention to unminut candidates for Auditor and Surveyor General also, to appoint a County Committee for the en-suing year. Let there be a full turn out of all the fetends of the Union rtends of the Union. By order of the County Cor JOHN LUTZ, Sec'.

By order of the War Department a drafting and recruiting has been stopped in the loval States. Wonder what some of the tory organs will have to talk about now, si these terrible drafts have been stopped.

IMPORTANT TO DRAFTED MEN .--- We have been requested by the Provost Marshal of this district to state that those men who were drafted and furloughed on account of having paid commutation in previous drafts, need not report again until further notice.

On hearing the news of the murder of Abraham Lincoln all the flags in the different portions of our town, were festooned with mourning. Strange to say, we did not see a single flag displayed from a Copperhead residence. No wonder men that desire the dismemberment of the Union, and the success of treason, could not but be delighted at the death of our rulers, as we understand some of the hyena tribe so expressed themselves on last Saturday.

THE M. E. CHURCH .- On Sunday last, a large audience was present, morning and evening, to hear the newly appointed minis-ter, Rev. W. M. Showalter. The church was draped in mourning, the pulpit being shrouded in the deepest black, in the rear of which was wreathed the Star Spangled Banner, fringed with bordered crape, The whole appearance lent an air of sadness to the solem occasion. The pastor feelingly alluded to this terrible national affliction, and prayed most earnestly that we might be delivered from all our troubles, and again have peace and unity restored to our sorrowing land.

Washington, January 1, 1864. Gentlomen.—Having stated it verbally to you, have no hesitation, in writing the fact, that I ex-erienced marked benefit from your Hoofland's forman Bitters. During along and tedious session of Congress, pressing and onerous dutice nearly rostrated me. A kind friend suggested the use f the preparation I have named. I took his ad-ice, and the result was improvement of health, enewed energy, and that particular relief I so much needed and obtained. Others may be sim-larly advantaged if they desire to be. Jones & Erans-Cientlemen:--- I have recently been laboring under the distressing affects of indigestion, accompanied by a prostration of the nervus system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hooffand's German Bit-ters were recommended by persons who had tried them, and whose favorable mention of the Bit-ters were recommended by persons who had tried them, and whose favorable mention of the Bit-ters were recommended by persons who had tried them, and whose favorable mention of the Bit-ters induced me also to try them. I must confess that I had an aversion to Patent Medicines, from the "thousand and one" quack "Bitters" whose only aim seems to be to palm off sweetened and drugged liquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learn-ing that yours was really a medicine preparation, I took it with happy effect. Its action was not upon only the stomach, but upon the nervous sys-tem, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yous, W. SETGERTEND, No. 264 Shackamaxon St. Brown Muslin 50 cents, AT CHEAP CORNER. s entering the lower part of the City by The Union Jubilee Postponed .-- The Assassination of President Lincoln.

The celebration which was to have come off on Saturday lost, owing to the melancholy news of the death of the President, was, of course, deferred. Although the day was very inclement, yet a goodly number of folks from the country had come to town, to join in the intended festivities. Notwithstanding the general sadness that prevailed, a large oncourse of citizens met at the Court House, where the meeting was organized by the apointment of our venerable citizen, DAVII PATTERSON, Esq., as President, and John T. Keagy, Esq., as Secretary.

The Hon. JOHN CESSNA was then called upon to address the meeting, who responded a powerful address, in which he dwell chiefly upon the sudden, and calamitous eve that had befallen the country. With indescribable pathos he referred to the mournful and tragic death of our beloved President. moving to sympathy the stoutest hearts, while many eyes were suffused with tears. Indeed. while the eloquent speaker was recounting the amiable life and conciliatory policy of the President, and the fiendish cruelty of his bloody assassin, we beheld men whose hearts might well be supposed inflexible, burst into a filood of uncontrollable grief.

With bitter scorn and withering indignation did he refer to those public men, even in our own town, by whose teaching and sympathy, the hand of tfeason was nerved to strike the fatal blow. Never shall we forget the thrilling emotion that crossed our mind, nor the deep sense of indignation that was aroused within us, when we thought of the cowardly instigators of this inhuman outrage.

After the conclusion of Mr. Cessna's speech, which was enthusiastically applauded, a number of our patriotic young men sang several soul-stirring songs, and the vast audience then slowly retired with renewed devotion to our cause, and with firmer resolves to stand. by the flag of our Union.

Wednesday being the day of the funeral of the late President, was very generally observed by our citizens, all the places of business being closed. Between the hours of eleven and twelve all the bells in town were tolled. Services were held in the Methodist, Presbyterian, Lutheran, German Reformed, and Catholic churches, all of which were draped in mourning and appropriately decorated with flags and other national emblems. Suitable addresses were delivered by the respactive pastors, which we are sorry we are not able to lay before our readers.
