### UNION COUNTY MEETING. THE FIRST RALLY OF THE CAMPAIGN.

THE BALL TO BE PUT IN MOTION. The Union men of Bedford county, will as-

emble in Mass Meeting, at the Court House, Redford, on TUESDAY EVENING, SEPTEMBER 5, 1865,

o take measures to inangurate the campaign. Every man who stood by the Government ready improved, there is no reason why we n its trials, and who desired the overthrow of the rebellion, is cordially invited to attend. The principles and nominations of the Union State Convention will be submitted for your endorsement, and active measures taken secure the success of the Union ticket in

the State, and particularly in this county. Loyal men, Soldiers, and citizens, come as one man, and let us determine to overthrow this county, and erect in its stead the peaceful reign of "Law and Order."

Hon. John Cessna, Hon. Wm. H. Koontz, the era of railroads. Col. John H. Filler, and others, will address

Union County Committee. The members of the Union County Com-mittee will meet at the Washington Hotel, in piece Bedford, on Tuesday, Sept. 5, 1865, at three o'clock in the afternoon. A full turn out is earnestly requested. It is believed that by united action and proper zeal, we shall, this fall, be able to rescue the county from the clutches of Copperheadism, and thus identify her with our own beloved commonwealth, who, with her sister states, has long since placed herself on the side of freedom.

The following compose the committee Bedford Borough, J. R. Durborrow, Chair man. M. A. Points, Secretary. Bedford tp., Thos. Hughes.

THE CAMP MEETING .- The Camp Meeting at Bloody Run broke up on last Thursday morning the 24th inst. There were a large number of persons in attendance during the entire week. On Sunday the crowd was immense. Excursion trains were run from different points on the Huntingdon and Broad Top Railroad. A large number of Ministers were in attendance. The order throughout was excellent, on Sabbath it could not have been surpassed. Rev. E. J. Mills, of Altoona, preached an admirable sermon on that occasion. A number of our friends will accept our thanks for the kind treatment we expeienced at their hands.

IMPORTANT PURCHASES OF REAL ESTATE .-Messrs, Hafer and Gilchrist purchased a few days ago the Chalybeate Spring one mile north of this place with 14 acres of the adjoining land, from Wm. Chenowith for the sum of seven thousand dollars. We hope to see these gentlemen improve this valuable property, at once, in such a manner as will enable them to accommodate a large number of visitors next Spring Season. The mineral Springs in this vicinity are unsurpassed in medicinal qualities by any in the country, and only want proper management in the hands of enterprising parties to make them rank anong the most popular resorts in the United States. Will not some enterprising parties cours the white Sulphur Springs in 3

Cove, ten miles west of here, and improve them. There is a fortune in them for somebody. As sulphur waters they are unsurpassed, and only want improvement of the grounds and the providing of proper accommodations to bring to them a crowd of visitors every season. With the proper improvement of these and ready improved, there is no reason why we should not have thousands of visitors here every season instead of the hundreds that now

O. E. Shannon, Esq. purchased, on the 29th ult., the large building and lot situated on the Southeast corner of Penn and Richard streets, from the Barclay heirs, for the sum of four thousand dollars. The building on this property cost some 16,000 dollars in the tyranny and iniquity of Copperheadism in the palmy days of Bedford when the turnpike from Philadelphia to Pittsburg was the great thoroughfare to the west. But that was before

BANK ROBBED .- On Monday morning the 21st inst. on opening the Banking House of M. Tredwell & Co. in this borough, it was discovered that the Iron safe had been forced and all the contents including a lot of Postage stamps, had been carried off.

The burglars were evidently no novices, as shown by the manner in which they had done their work. The rivets had been drilled out of the bar composing the lap edge of the door, and purchase having thus been obtained for a crowbar, the door was forced open. The windows had been darkened with strips of a gum piano cover, which had been brought, and cut to fit closely thus preventing the light from shining out while they were at work. A complete set of burglars tools were left behind by the scoundrels, who carried off with them besides the cash, bonds, a small steel safe which was inside the larger one-containing several hundred dollars in specie. The amount lost is reported at \$20,000. Suspi. cion attaches to one or two persons who were loitering about town and who have left since Saturday, but no arrests have been made.
