## UNION MASS MEETING.

A mass meeting of the Union men of Bedford county, will be held in the Court House, in the Borough of Bedford on Tuesday evening of Court week, being the first day of May, next. All those who are in favor of maintaining the laws and perpetuating the Union of States, the Union saved by the blood of loyal men, and wrenched from the control of insurgent traitors, all who are in favor of standing by our representatives in Courges. standing by our representatives in Congress all who are opposed to the demagoguery of the magistrate who does not hesitate to de mand that traitors whose hands are yet reek-ing with the blood of treason shall be recloth-ed with more than their former powers, all who are in favor of standing by the soldiers who have achieved our glorious victories, and all who desire the election of that tried and true hero, Major General John W. Geary, true hero, Major General John W. Geary, are earnestly invited to attend. LET THERE BE A GRAND RALLY!

Hon. John Cessna, Col. Fr. Jordan and Gen. W. H. Koontz are expected to address the meeting.

the meeting. J. R. DURBORROW, Chn. M. A. Points, Sec'y. To our Patrons .- At the beginning of the business year we desire to call the attention of our patrons to a few facts having an impor tant bearing in determining the success or failure of our effort to publish an improved and useful paper. It is not quite a year since we took charge of the Inquirer. Since then we have spared neither labor nor money in our effort to make an acceptable paper. It is with our friends and patrons to determine whether we shall be enabled to continue and improve our paper or whether we shall be obliged to let it fall back to its old standard. We invite the attention of all who feel an interest in the progress and general improvement of our county in morals, intelligence and prosperity to the following facts. are to day publishing a larger paper than is published in almost any other county of the ame wealth and population in the State. We instructive reading matter and general news months, we are obliged to pay for filling the same space with new matter every week. We light, when he was discovered on the portico the belief that the intelligent, religious, morwould lend us their aid in so good a cause and | very little injury was detected. justify our course, by their encouragement ronage. There are large numbers of our peo gift establishments, &c, all designed to lead the young and inexperienced astray, rob them of their money and corrupt their morals How many who would be horrified at the idea of recommending, the gambler, the debauchee the libertine or any other pest of society, as associates for their sons and daughters, consider through nine-tenths of the newspapers of the day, they bring the same influences into mind is most susceptible and when the influences brought to bear on it, to a great extent, shape the character of the future man or woman for life? Thus much for the social interests. Our political course shall be in the the great cause of human right, liberty and progress, and an independent criticism of public men and measures, without fear or favor. We shall at the same time advocate the nomination in our own ranks, for office, of sober, hones t, intelligent men and oppose, to the extent of our ability the nomination of all others, to this end and for the furtherance of the above named objects we ask the assistance of every good and true man in the ranks of the Union party in extending the circulation of our paper. We are now entering up. future as in the past, a fearless advocacy of the great cause of human right, liberty and of the Union party in extending the circulation of our paper. We are now entering upon a most important political campaign, in which are to be elected a State and County ticket. The result in Pennsylvania will be regarded as either the justification or rebuke of the noble men in Congress, who are now standing up for the right of all men to the protection of their persons and property, and in the county it is to be determined whether the the county it is to be determined whether the

SUPERINTENDENCY OF COMMON SCHOOLS .-The School Directors of Bedford county will convene at the Court House, in this borough, on Tuesday, the 1st day of May, to select a person to fill the position of Superintendent of Common Schools of Bedford county for the ensuing term of three years. There has been very little attention given to the subject outside of those who are immediately interested in the success of the respective candidates. Why this is the case we are not prepared to say, certainly there is no office within the gift of the people in which they should manifest a deeper interest. Upon the shoulders of the County Superintendent rests the work in a great measure of civilization through the diffusion of a higher intelligence. We are not over-rating the matter: a good Superintendent will bring about good schools; and generally out of bad comes worse. Bedford county has enjoyed the advantages of an excellent Superintendent for the last three years. Give us one equally as good and we will be content. Mr. Dickerson has been a faithful public servant and while we have differed widely from him politically, we are compelled to accord him that praise which is so justly his. Unfortunately for the interests of intelligence and progress in this county, every office from the highest down to township auditor partakes of a political character. Our opponents, through the liberality of the Republicans, generally have a decided majority of the Directors and their first question is. Does the candidate belong to our Party? If this is answered in the affirm-

prejudices in school selections. The candidates who will be submitted to the next convention will be J. C. Long, Henry W. Fisher, J. W. Hughes, and Rev. H. Heckerman. There may be others, but we have not heard their names used in con. nection with the office and, therefore, cannot announce them.

importance. This is very much to be deplor

THE WOODBERRY OIL EXCITEMENT.-The Wood perry people appear now to be as thoroughly excited in regard to the oil business as the bulls and bears were at the rapid advances of the premium on gold at the breaking out of the war. We have no desire to discourage them but we cannot help suggesting that it were weil if they exercised their calm judgment instead of "going it blind" to use a popular phrase. Every individual that you meet has two or three leases to sell of the best territory for which he only asks the trifling sum of hundreds. But as far as we are con cerned let the oily Mammon run his course. We have no particular objection. If people will be excited let them enjoy the advantages of the calm when it does come. Some have been disposed to be vexed with us because we have hinted that it might not genuine, we are sorry for this, as we only meant to suggest to those who furnish the funds that they had better look before they leap. Speculators, it will be reccollected seldom furnish the wherewithal to work, if they do, they generally make it off of some one not half as sharp as

A TERIBLE LEAP. - A gentlemen from Michigan, engaged in the fruit tree buiness, has been confined to his bed with typhoid fever, at the Bedford Hotel, for the last ten days or two weeks. > DISTRICT POLITICS.—The following remarks on District politics from the Fulton Republican, are equally as applicable to Bedford as to Fulton county. It is evident that we can only get the Senator or the member, we cannot get both, and with this potent fact before our aspirants we caution those, who would by some trick secure a nomination, against any. ty be the base of all nominations:

ty be the base of all nominations:

In this Senatorial and Legislative District there are already quite a number of aspirants for nominations in the Union party. For the Senatorial nomination, Somerset county has two candidates, Bedford one, and, probably two, and this county will undoubtedly present one. For the Legislative nomination s, Somerset presents two candidates, Bedford two, and probably three, and Fulton three.

This county will get either a Senatorial or

This county will get either a Senatorial or Representative nomination. The three counties are given one Senator and two Representatives. The Senator at present is from Bedford, and the Representatives from Bedford and Semerset. The claims of Fulton county for one of the three nominations are conceded by the District.

the county it is to be determined whether the reckless expenditure of the hard earned money of the tax payers shall be continued for another year. Our terms are \$2.00 in advance or \$2.25 if paid within six months, \$2.50 if not paid in six months and \$3.00 if not paid within the year. Campaign paper from June let 1868 and 1868 are the county in the same and the success of the principles and candidates, where they may be, of the Union party at heart, we venture the following advice to our friends in this county: Do not electioneer for Member at the expense of within the year. Campaign paper from June within the year. Campaign paper from June 1st, 1866, until the ciose of the campaign 65cts, per single copy; 10 copies, \$6,00; 20 copies \$10.00.

The Soldiers' Monument Committees in the various districts are earnestly requested to push forward their work as rapidly as possible. Recollect that a report is expected from each committee by the 1st of Man.

Mrs. Tate and Miss Rea have just pened one of the best selected stocks of ancy Goods that have ever been presented to the admiring ladies of this place. Call and see them without delay.

S. E. Henry & Co. of Huntingdon, are prepared to furnish potatoes, fish, groceries, lry goods, and every thing usually offered for sale to the public at the lowest cash prices.

RELIGIOUS.-The Holy Sacrament will be celebrated on Sabbath the 22nd inst., in the M. E. Church in Schellsburg, at 10 o'clock, A. M. Preparatory services on Saturday evenng, by Rev. J. H. McGiarrah, Pastor.

Geo. Blymyer & Son are about moving heir tremendous Hardware store to the corner, formerly occupied by Mrs. Sigatoos and latterly by Mrs. Stewart where they have fitted up a mammoth store room which is surpassed by very few in this section of Pennsylvania. These gentlemen manifest the most commen dable enterprise and deserve the liberal pat ronage of the entire community. Advertise ment next week.

New Poor House.-The Poor Directors at their last meeting it is currently reported, resolved to build a new Poor House. paupers ought to get up a grand torch-light procession in honor of the Directors who have the enterprise and the humanity to advocate such an important measure. Bedford county has long been disgraced by the present institution; may we never look upon it like again A CARD.

EDITORS OF THE INQUIRER.—As my scholars and friends of Bedford and vicinity are all solicitous to know my politics, I will, (with your permission,) tell them that I was always a Republican and shall remain one as long as I have my full senses.

THE SOUTHERN PENNSYLVANIA RAILROAD. In the Register of March 31 we gave our views of "the Southern Pennsylvania Railroad as we see it." We have since derived in formation which satisfies us that we were in e rror in supposing that the road would terminate in a junction with the Pennsylvania Railroad at Briuton's Station, eleven miles east of Pittsburg. On the contrary the plan is to cross over from the Youghiogheny river at an eligible point to the Monongahela river and pursue the latter to Pittsburg, there to connect with the direct route to Steubenville,

Columbus, Indianapolis, etc. The occupation of the Monongahela rive valley above McKeesport, (where the Pitts burg and Connellsville Railroad abandons the Monongahela to follow the Youghiogheny, is a strategic idea of the first importance since it will put the Southern Pennsylvania Railroad in possession of the Monongahela valley for half the distance from Pittsburg to the West Virginia State line-a consideration of especial significance. It also puts the Southern Pennsylvania Railroad within short and easy reach of the borough of Washington whence the Hempfield Railroad is in operation to Wheeling.

From the spot where the Southern Pennsyl ania Railroad may first strike the Mononga hela, a branch road may be built along the Monongahela and one of its tributaries to Waynesburg, in Greene county, whereby that solated and secluded but teeming and propi ious county will have opportunity to greet the locomotive and enjoy the facilities of the time table.

The impatience of Southwestern Pennsyl ania for railroad communication with the tidewater cities is natural and commendable And as the plan of the Southern Pennsylva nia is exactly adapted to the necessities and the interests of the southwest counties, it ple of that important portion of the State. -United States Railroad and Mining Regis-

## MARRIED.

In Bedford township, on Thusday, April 5 1866, by Rev. W. Gephart, Mr. W.M. B. HART ZELL, to Mrs. TILLIE BRIDAHAM, both of Bedford township.

At his residence, near schellsburg, April Ist, of neumonia, JAMES ALLISON, Esq., aged 68 ears, 4 months, and I4 days.

His death was sudden and unlooked for. His eath had been failing for some time, but nothing rious was apprehended until within a week of its death.

serious was apprehended until within a week of his death.

In his death the community sustained a loss not easily repaired. Magnanimous and public-spirited, he ever strove to enhance its interests. He was emphatically a self-made man, and a teacher for over forty years, when he withdrew "to give place to younger ones." He was a staunch friend of both public and Sabbath-schools, temperance, law and order. Conscientiously opposed to human slavery, he ever raised his voice and hand against it. In the great strug gle through which the country has just passed, he ever stood firm for the Union. He saw two sons go forth to do battle for the right—one of whom only returned from the hospital, nine hours before his death, and that with one limb off. He was very anxious to live until his children would reach home, three of whom were absent, and his desire was gratified. As a husband he was faithful and devoted; as a father indulgent and affectionate; an upright christian and a kind neighbor. While his prayers ever ascended for the "downtrodden and oppressed, the widow, the fatherless, and the orphan," his hands were extend d to aid, and his voice to encourage them. No beggar ever left his door unheeded. His death was peaceful; at the hour when he was want to retire to rest, he closed his eves as if in a gentle slumber, and at the hour when he was want to retire to rest, he closed his eyes as if in a gentle slumber, and woke no more on earth. His afflicted family is comforted be the thought that:

"There is no death. An angel form Walks o'er the earth with silent tread, He bears our best loved things away, And then we call them "dead."

"But ever near us, tho' unseen,
The dear immortal spirits tread;
For all the boundless universe
Is life—there are no dead."

Is life—there are no dead."

April I2, at the residence of her daughter, at New Paris, Mrs. MARTHA HEWITT, in the S8th year of her age—mother-in-law to the above. She was born in Adams eo., but moved to this county nearly sixty years ago. She lived a widow fifty-three years and four days. Few persons, of her age, retain their mental and physical powers to a greater extent than she did. Her death was sudden, having only been sick about twenty-four hours. She was, for over thirty years, a member of the Baptist church, and a few hours before her death remarked that "her way was clear."

"May she rest in peace." In Broad Top township, Bedford county, on the 17th of March, GEORGE E. PINCHEON, aged 3 years and 26 days. Also on the 28th of March, GILMER PINCHEON, aged 4 months and 20 days, sons of William and Lucinda Pincheon.

"COSTARS" RAT EXTERMINATOR is simple, safe, and sure—the most perfect RAT-ifacation meeting we have ever attended. Every Rat that can get it, properly prepared, will eat it, and every one that eats it will die, generally at some place as distant as possible from where it was taken.—Lake Shore, Mich. Mirror.

See "COSTAR'S" advertisement above.

1866. HOUSEKEEPERS troubled with vermin need be so no longer, if they use "Costar's" Exterminator, We have used it to our satisfaction; and if a box cost \$5, we would have it. We have tried poisons, but they effected nothing; but "Costar's article knocks the breath out of Rats, Mice, Roaches, Ants, and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—Medina, Ohio, Gazette.

See "Costar's" advertisement above.

A VOICE FROM THE FAR WEST.—
Speaking of "Costar's" Rat, Roach, Ant, &c.,
Fxterminator—"more grain and provisions are destroyed annually in Grant County by vermin that
would pay for tons of this Rat and Insect Killer."—Lancaster, Wis. Herald.

FARMERS AND HOUSEKEEPERS—should recollect that hundreds of dollars' worth of Grain, Provisions, &c., are annually destroyed by Rats, Mice, Ants, and other insects and vermin—all of which can be prevented by a few dollars' worth of "Costan's" Rat, Roach, Ant, &c., Exterminator, bought and used freely.
