

REDFORD, PA., FRIDAY, JUNE 29, 1866.

CAMPAIGN INQUIRER

The INQUIRER will be issued as a can paign paper from and after the 1st of July to the 12th of October, 1866, to accommodate those who are not regular subscribers.

The importance of the campaign should stimulate the Republican party to place the INQUIRER in the hands of every friend of Republican principles in this county. The canvass will not only be important in view of the election of a Governor, but it will be recollected that a member of Congress, Senator, two Representatives, and a full county ticket from Prothonotary down to Auditor are to be elected. Every member of the Republican party should be alive to the necessity of promptly distributing healthy reading matter among the masses. Bedford county must be carried against Copperheadism at the coming election. We were only beaten on an aver age from 130 to 140 last fall. At least 160 deserters voted to make this majority. Since then the bill disfranchising deserters has become a law and they will be excluded from voting at the next election. This gives the Republican party a majority of a few votes. Now then is the time to wrench the political ascendency from the party which, as a body, has so terribly abused its power in this county for the last four years, and to accomplish this much desired result the INQUIRER will labor carnestly and deal most vigorous blows. Every Union Man in the County, without an exception, should have a Copy. Let our friends see that this is the case. A little exertion will do it.

REGULAR TERMS:

The INQUIRER will be sent, one year, for \$2.00, if paid in advance; \$2.50 if not paid within six months, and \$3.00 if not paid within the year.

The Campaign Inquirer Will be sent to subscribers at the following

REPUBLICAN BRASS BAND .- A Brass Band has been organized by a number of young Republicans for the coming campaign. They have only been practicing a few weeks and have made remarkable proficiency. They play very creditably and will lend much to the enthusiasm of the approaching canvass Bedford has two Brass Bands, both of which are highly creditable.

Apr The Odd Fellows Lodge in this place has been splendidly renovated under the direction of Dr. C. N. Hickok. There are few Lodges in the State that are more tastefully and artistically embellished than this one. Hundreds of persons have visited it and ex pressed their admiration of its beauties. The fraternity is rapidly on the increase and the Lodge is in the best of pecuniary circumstances.
