THE NEW MODE OF VOTING. THE GREAT ISSUE ! Democratic Record on the VOTERS MUST BE CAREFUL ! The Legislature at its late session changed the entire mode of voting in this county. Heretofore all the party nominees of any one party were voted for on a single slip of paper by special act of Assembly ; by the late act the ticket must be voted in three separate slips, headed respectively STATE, COUNTY, and JUDICIARY, thus:

Whoever favors the President's policy, wishes to strip the loyal North of twenty-five members of Congress, to which it is fairly entitled, and he wishes to give twenty-five members to the disloyal South, which that section has no equitable title to. #### PATTONSVILLE COBRESPONDENCE.

Great Outpouring of the People.-Their Numbers and who they were.

PATTONSVILLE, Sept. 29, 1866. MESSRS. EDITORS:-The long talked of long advertised and long looked for demon stration of the Democracy took place this evening at the public house of Mr. J. Ritchey.

The evening was rather cloudy and damp, yet it had no effect on the unterrified. They came in great numbers until after dark, when it was discovered that there were at least TWELVE persons present, seven Democrats and five black Republicans. It was supposed that we would have a gala time-but lo, when we looked around we had no speakers. The question was then asked amongst the unterrified, what will we do? It was finally decided to go home. which was very reluctantly done by all.

The Democrats were expecting a rich treat of Negro Suffrage and equal rights, sufficient indeed to change the opinion of the five Republicans.

The democracy hereabouts are very much alarmed. They think they see some very large specimens of the negro race stepping up to the polls with them; and this would not, be so bad, but they have been assured by their speakers, at a former meeting, that the negroes would all vote the d-d Rupublican ticket. There is where the shoe pinches.

They also behold the negroes come right into their families, and even marrying their daughters, which they say cannot be avoided owing to the civil rights bill. Their cry of Nigger, Nigger, for the last ten years, and al securities," I am of opinion that its effect their yearly assurance that Negro Suffrage is the issue, has not had a very good effect on some of their followers, as they are beat yearly and negroes still don't vote. The people in this section cannot be duped, and after the 9th of October you will find that we are all alive and kicking. There is not a Union man in this township, but what would sooner see loyal black men vote, than traitors whose hands are yet unwashed of the blood of our fathers and brothers.

The people have sworn that loyal men
