GENERAL NEWS ITEMS.

Hox. Myen Strouss, M. C., has had placed n his hands, for return to the owner, a stolen ing belonging to Jeff Davis.

Pressing the finger on the upper lip, just below the nose, will make the severest premonitory symtoms of a sneeze pass off.

A DISPATCH from Philadelphia says: The plasterers are still on a strike for higher wages, and intend to hold out. JEFF DAVIS SAYS that the late Connecticut election was one which that State could well be proud of. Precisely what the rebel sympathizers hereabouts say.

The returns of the New York census of 1865 have recently been published. They indicate a sight decline in the population of the entire State, as well as of the leading city as compared with the returns of 1860. A special dispatch from Columbus, Ohio, to the Cincinnati Gazette, under date of the 1st inst, says: The Statesman forced the negro suffrage issue at the municipal election in this city, and the result is a Union gain of

A WATCH has been manuactured in I all which is wound up by simply opening the case to note the time. It only requires to be opened once a month to keep it always going, and it is perhaps the nearest approach to perpetual motion yet invented.

COUNT BISMARCK has sent an energetic note to Paris, demanding of the Emperor Napoleon in the reasons for arming. He says Prussia holds France responsible for the consequences of such a step and asks the instant cessation of earlike prenarations.

The New Orleans Picagane, in an article on negro suffrage, says with great force: "It is ridiculous for any one to pretend that he is lowered or disgraced by going to the polls with a negro, when he crowds in at the general delivery with him to get a letter at the post office."

Hon. George Evans, died in Portland, Me., on Friday night. The deceased represented his State eighteen years in the House of Representatives, and six years in the United States Senate, with credit to himself and State. He was a man of distinguished ability especially in financial matters.

The election in Baltimore on the 16th inston the question of the state constitutional question and on the question of running street passenger cars on Sunday in this city, is progressing quietly and earnestly. The result on both questions is doubtful. The vote will be large. The most admirable order prevails.

THE Democratic press all the land over Elemocratic press all the land over been pretentiously calling on the colored ation to note the fact that the Ohio lature refused to submit to the people a no striking out the word "white" from Constitution. Will these same papers a their colored readers that the Ohio lature has rescinded their action, and he question to the people? Will these snote, too, for their own consideration, his step was taken before the result of the state of the sta papers note, too, for the hat this step was taken before the result of the Connecticut election had proved its neces-sity and one and the pessage of the amend-ment before the people?

A stringent law against prize fighting has just been passed by the Pennsylvania Legislature. It makes the penalty for engaging in a prize fight, or taking part as second or bottle holder, a fine of not more than \$1,000, and solitary imprisonment not exceeding two years. Every person being present at the fight, and encouraging the same, or laying any bet or wager on the result thereof, whether present or not, shall be considered a participant therein, and as giving encouragement the throat after an unusual exertion of the vocal

thereto, and may, at the discretion of the Court, be punished in like manner.

The Supreme Court room was densely crowded on the 12th inst. All the judges were present. The Mississippi injunction case was before the Court on a motion to file the bill. Attorney General Stanbery made a lengthy argument in opposition to the motion, denying the original jurisdiction of the Court, and Robert J. Walker spoke in its support. On the conclusion of the argument in this case, Charles O'Conner moved for leave to file a bill in the Georgia case. The Chief Justice said the Court would take the motions under advisement, and if further argument was desired, counsel would be notified.

Sexator Sumner has at last introduced his resolution for the expulsion of Saulsbury, and will on Saturday try to press it to a vote, with the probability that he will carry it through. Saulsbury has been very drunk for several days, and staggers in and around the Senate Chamber until he has become very offensive and disagreeable. It was resolved in caucus last winter to expel both McDougal and Saulsbury, but their friends interfered

The Republican State Convention of New York, before adjournment, adopted resolutions instructing the delegates at large to support an amendment to the constitution, giving suffrage to colored citizens.

BiDs were opened on Mondey last for the twenty-three millions of dollars State loan. Photos of the support of the twenty-three millions of dollars State loan. Photos of the support of the twenty-three millions of dollars, and about thirty-one millions at six per cent. were bid for from par to a per cent. Premium. The bids exceed the smount wanted by about eight millions of dollars. Drexel & Co., Jay Cooke & Co., and gid Clark & Co., get about sixteen millions at a premium ranging from 1-20 to 1-16 per cent.

A BECENT Washington dispatch says: D

premium ranging from 1-20 to 1-16 per cent.

A RECENT Washington dispatch says:
The registration in the first three wards shows two thousand six hundred and seven whites and three thousand five hundred and seventy-eight colored voters. Many whites, in addition to those distranchised on account of their treason, refuse to register, and will lose their votes. Of the white vote about thirty per cent. will be Republican, and vote with colored men, thus securing an overwhelming majority, where one year ago no Republican tickets were in the field.

Republican tickets were in the field.

A TELEGRAM from Richmond, Va., announces the death in that city of George W. Randolph, ex-Confederate Secretary of War. Mr. Randolph was by birth a Virginian, and by profession a lawyer. He was an original Secessionist, and at the outbreak of war he raised an artillery company, and by his skill and gallantry, soon reached the rank of Brigadier-General. Jefferson Davis called him into his Cabinet in 1862. His administration of the War Office was short, a difference with Davis resulting in a resignation.

Davis resulting in a resignation.

The Richmond Times, after alluding to the Copperhead rejotcheg at the North over the Copperhead rejotcheg at the North over the Connecticut election, gives the following advice to its readers: 'The people of the South would act unwisely, we think, if they were to jump to the conclusion that the result in Connecticut really indicates the disintegration of the Radical party. It is a mere straw—a cheering sign—a patch of clear sky amid dark and menacing clouds, and nothing more. Practically, it will in no way change or effect the character of the Fortieth Congress. Until after the next Presidential election that body will control the purse and the sword, and its leaders will be Stevens and Butler.

and its leaders will be Stevens and Butler.

A PRIVATE letter received in Boston, dated Port au Prince, March 14, confirms the overthrow of the late Government of Hayti. Two attempts of the revolutionary party were made—the first on the 22d of February at the Capital, which was suppressed by President Geffrard, and the leaders of the insurgents, Prospero Elie and his son, were killed. A second attempt a few days after, made at St. Murcus, was successful. President Geffrard, finding that public feeling was strong against him, sent in his resignation, and on the 13th of March embarked, with his family, on board of a French man-of-war for Jamaica. A new President would be shortly elected.

A Washinoton paper has the following strong against the st Saratoga Spring Water, sold by all druggist

when that is done white Americans will ave acontrolling influence in politics, but not unit the ideas of the Pennsylvania Democracy on the Construction coincide with those of the Mississippi brigands.

The Union Pacific Railroad Company, Kamas branch, applied to the government on Wednesday, for a commissioner to examine the seventh section of their road, extending to the Saline river, forty-five miles west of Fort Riley. They are laying the track at the rate of a mile and a half a day, and cars will reach the town of Salina, fifty miles beyond Fort Riley and four hundred and sixty-eight miles west of St. Louis, on Saturday.

The Richmond (Va) Examiner accounts for the explosion in the Clover Hill mines as follows: The coal is mined in chambers, which according to the cardie in his hat, and exploded with the hamentable results already given.

The Sanate and Legislature adjuncted the swashing out, took fire from the cardie in his hat, and exploded with the hamentable results already given.

The Sanate and Legislature adjuncted the swashing out, took fire from the cardie in his hat, and exploded with the hamentable results already given.

The Sanate and Legislature adjuncted the work upon the grounds and in the dillegature will not be bored so much by the passage of these private bills, as a great many of them can be referred to the counts. There were no bills of very general interest access on. The randication of the Constitutional Amendment was the most conspicuous act of the whole assession, and one that will redund to the credit of every member.

The Democratic press all the land over have been pretentiously adding and the control of the passage of provided with the local provided with the same and the credit of every member.
