Straw and Fur Hats at Berkstreser's.
Water has declined from one to three dollars per barrel in the East. Our dealers hereabouts do not seem to be aware of the fact, and are still demanding the old figures.

Any person desiring a Scholarship of the Quaker City College, Philadelphia, one of the best Business Colleges in the United States, can be supplied, on reasonable terms, by applying to us.—
Fine Linen Clothing at Berkstreser's.

The Republican Convention of Blair county unanimously instructed its District Committee to support Mr. Louis W. Hall for reelection to the State Senate. Mr. McCalmont was renominated for assembly.

WANTED—Two or three more able-bodied riders to help prop our neighbor's sign post. It is required that they dress well, do nothing, and be able to take a drink gracefully. No others need apply.

Cloth Coats & Pants at Berkstreser's.
Messrs. Nathan McMullin, George Stiffler, Charles Ren, and Alex. Agnew "took" 873 very fine trout from the mountain streams of the Allegheny one day last week. So report the parties but we did not see any of the trout. Hollidaysburg Standard may not be it.

The gratifying depression in the bread-stuff market still continues, and all the consumers of the staff of life will be glad to hear it. A few months more, and it seems probable that the people will have cheap bread and plenty of it for as the prospect of the speculative dealers grows darker and darker, the promise of a bountiful harvest increases.

Cheapest Cashmere at Berkstreser's.
It is said the demand for the "Gum Roller" Grain Drills or Seeders will be greater this year than ever before. No sensible farmer will do without a drill, and since the great secret of raising wheat is sowing early, any farmer too stingy or thrifless to buy, and who each year depends on his neighbors for a drill, ought either to change his tactics or hunt a new occupation.
"Own your drill and sow early."

A couple of traveling doctors have been in town for a day or two past, relieving the credulous and simple of their loose cash. When will the people learn the folly of expending their money on every traveling quack, that comes along with assurance enough to write M. D. to his name, instead of going for advice to the regular resident physicians, whom they know?

Berkstreser & Co. keep on Juliana st.
JUNE days have brought us more sunshine, and clear bright days now cheer the farmer's heart, and fields of waving grain give promise of an abundant harvest near at hand. The season, however, is nearly two weeks later than usual; strawberries, which we usually have about the 10th, will not be ripe for at least a week yet, and other fruits and vegetables show the same backwardness. Of roses, the glory of June, the buds only show themselves as yet.

A few days ago a kind hearted citizen of the borough (probably a member of the society for the prevention of cruelty to dumb animals) apparently much concerned for the safety of the men engaged in stoning the gutters on Penn and Bedford streets, suggested to us the propriety of just hinting to the City Fathers that, on warm days particularly, it would be prudent to employ a few additional hands to hold umbrellas over the workmen in order to prevent danger from sunstroke, which is likely to be induced by the excessive industry with which the work is prosecuted. We hope no time will be lost, but that measures will at once be adopted for the prevention of any such dire calamity as the sunstroke resulting from overexertion on the part of the workmen.

DARKING BURGLES.—The hotel of Joseph Cessna, in Harrison township, was entered on the night of the 6th inst., by some person or persons unknown, and a sum of money, in the neighborhood of \$200, taken therefrom. There were several persons stopping at the house at the time, among them Mr. Simon Carney, who had his pocket book containing \$135 or more taken from under his pillow. All of the rest lost to a greater or less extent. The till in the bar room was broken open and the change, amounting to some \$20, taken out. After having completely ransacked the house, the spring house was visited, and a feast made on the pies, cakes, milk, &c. Several empty pocket books were found in the spring house and a Confederate ten dollar note and a penknife, taken from the pocket of one of the parties in the house, were struck against the door, showing that the booty had been overhauled here. No clue is had to the perpetrators. From the fact that no one in the house was aroused during the time of the robbery, it is supposed that chloroform was administered to the sleepers.

On the night of the 4th the store of W. W. Lancy, in Cumberland Valley township was broken open, and a considerable quantity of goods carried off. As in the above case, a feast was held in a spring house near by, and such as could not be used destroyed and no clue left as to who the rascals were. Thieving seems to be in the rage in the country just now, and we would warn the people to keep a sharp eye on all strange characters that may be found hanging around their premises.

On Saturday night the spring house of Mr. John Davidson was "gone through with" to the amount of sundry articles in the shape of pies, bread, butter, &c. "Pie-an'-things" seem to be common property just now, and we would advise folks to keep a lock on their spring houses and cellars in consequence.

BEDFORD COUNTY MEN ABROAD.—We clip from the *Daily Journal of Commerce*, Kansas City, Mo., the following:

"Improvement—A Paper Mill."—Messrs. Householder & Schell, of Bedford county, Pa., yesterday purchased forty acres of land from the Commonwealth of Pennsylvania for the purpose of erecting an extensive paper mill. The land lies two miles from the Levee, and has a splendid spring of water on it. These gentlemen are from Pennsylvania, and are men of ample means and superior business qualifications. It is their intention to put up a large establishment, and employ a great number of operatives. They came here first, then went to Leavenworth, St. Joseph, Atchafalpa and Lawrence, to prospect, and finally came back and selected Kansas City as the field for their operations. We congratulate the gentlemen on the soundness of their choice. Mr. Householder has been State Senator for several years in Pennsylvania, and Mr. Schell is a brother of Schell, lumber dealer in this city.

The friends of the gentlemen above named will be pleased to learn that they are wide awake in their western home. The company consists of H. G. W. Householder, J. H. Schell, D. F. Beagle and Samuel D. Williams, all wide awake energetic business men, whose names are a sufficient guarantee that whatever they undertake will be prosecuted with vigor. The paper business has been a most profitable one for some years past, and we have no doubt the gentlemen above named will find their investment a paying one. For high moral character, indomitable energy, intelligence, and perseverance in whatever they undertake we can commend them wherever they may turn up, confident that they will always acquit themselves with credit. For their success in their present enterprise they have the best wishes of all who have had the pleasure of their acquaintance in their old homes.

MARTINSBURG TEMPERANCE CONVENTION.—"JOHANNAS" furnishes us with the following account of the proceedings of the Quarterly Convention of the Good Templars, held in Martinsburg, Blair county, on the 21st and 22nd of May:

"The Convention met at 2 o'clock, P. M., of the 21st, and was called to order by Bro. J. W. Schwartz, W. C. T.
The following officers were then announced: W. V. T.—Sister Mary E. Aschom, 183; W. A. S.—Sister M. J. Kennedy, 133; W. T.—S. McCartney, 209; W. F. S.—Sister Carrie Johnson, 189; W. C.—J. A. Woodcock, Woodberry; P. W. C. T.—P. W. Hoover, 131; W. M.—R. W. Berkstreser, 148; W. D. M.—Sister Mary Miller, 85; W. L. G.—C. B. Tipton, 197; W. R. H. S.—Sister George Deal, 131; W. L. H. S.—Sister Amanda Davis, Johnson.

The following preamble and resolutions were offered by the Business Committee, taken up severally, discussed and adopted:

WHEREAS, The Order of Good Templars is organized for the special purpose of advancing the interests of Temperance in all legitimate ways, and the success of our cause requires the suppression of the liquor traffic by legal enactments, Therefore, Be it

Resolved, That we are contending with the greatest evil that now exists in our country, an evil that has for its support the long established customs of society, the selfishness and cupidity of a large class of our citizens, and the insatiable appetites of the unhappy victims of Intemperance.

Resolved, That we deem it of the utmost importance that special efforts be made by all our Lodges to bring the subject of Total Abstinence to the attention of Sabbath School Superintendents and Teachers, and request them to obtain with us in securing the pledges of the children under their charge to a life of Total Abstinence.

Resolved, That as Good Templars and worthy citizens, as well as members of the several Lodges, we are represented, we set ourselves to labor for the suppression of intemperance, manfully, wisely, and energetically, in any sphere in which God in His providence may appoint us to work.

Resolved, That this Convention recommend to all the Lodges in this District, total abstinence from all medicine commonly called "biters," as the least hurtful, by chemical analysis, contains nine per cent. of Alcohol.

Resolved, That as Good Templars we will never cease our efforts to bring about such legislation as will sweep the monster intemperance from our land.

Resolved, That PROHIBITION shall be the motto of our banner.

The exercises of the evening were particularly interesting and entertaining. Bro. J. H. Keatley, who was, by previous arrangement, the speaker for the evening, addressed the large and attentive audience with credit to himself and great honor to the organization. The order should be proud of so able and so bold a defender of the noble cause. No better appreciation of his worth could be given than a hearty support, from all our Lodges, of his ably conducted paper—the *Leader*. The music by the Glee Club, led by Bro. Schwartz, was the finest we have ever listened to.
