Dr Schenck's Pelmonic Syrup.

This great medicine cured by Dr. J. H. Schenck the proprietor, of Pulmonary Consumption, when speedy death appeared to be inevitable. His physicians pronounced his case ineurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared and his present weight is more than two hundred pounds.

Since his recovery he has devoted his attention exclusively to the cure of Consumption, and the disease which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. Schenck's Pulmonic Syrup, Sea. Weed Tonic and Mandrake Pills are generally all required in curing Consumption. Full directions H. B. SWARR, quired in curing Consumption.
