ANOTHER RAILROAD TO PHILADELPHIA.apertant to Manufacturers and Merchants. One of the most important bills passed by a last Legislature was "An Act to incorpoite the Caledonia Iron, Land and Railroad

By referring to the provisions of this act a synopsis of which we present below to r readers---it will be seen that the Compapossesses some of the most liberal privieges that can be conferred on a railroad corporation. Among others of its frauthises, he .compand is authorized by its original harter to hold sixteen thousand acres of land, close of the session, the company is farther uthorized to hold four thousand additional woodberry South with authority "to mortgage, lease, sell on otherwise dispose of the same, or any part thereof." The Company is also unrestricted is to the amount of capital stock, and has mple authority to construct "a railroad or ailroads with branches," from their lands o connect with any other railroad now or here-

It is believed by the corporators of the mpany-among whom we find the names several of our citizens-that every privi-Hopewell ... and power necessary to the construction another railroad from Pittsburg to Phila-opponents of the Pennsylvania Railroad monopoly, whereby a competing route may be opened to connect our city with Baltimore, Philadelphia and New York, by the construc-Providence West Saxton borough Schellsburg bor. tion of a track from Connellsville to Harris-
