**ESTES'S COTTAGE ORGANS.**  
Are still ahead of all competitors and stand unrivalled in POWER, PURITY OF TONE and BRILLIANCY, and all other points which go to make a first-class instrument. The "VOX HUMANA TREMOLO" is the greatest of all modern improvements on reed instruments. It CHANGES and SURPRISES all who hear it, by its wonderful resemblance to the human voice. Do not confound this with the common tremolo in use. It is entirely different, and far superior to any other. For sale wholesale and retail. E. M. BRUCE, 18 N. Seventh Street, Philadelphia. Send for descriptive circular and price list. The sheet of music for "ESTES'S" is entirely new to me, and is certainly the best I ever heard of. Geo. W. Morgan, (The First Organist of America.) "Tennessee has been playing 'ESTES'S' for several years, and compares with this for beauty of effect. In fact, it seems to me to be absolutely perfect." - Wm. A. Johnson, Pipe Organist. ESTES'S Cottage Organ is superior for exceedingly quick articulation and round tone - the essential features in instruments of this class. - Geo. W. Morgan, Pipe Organist. I am much pleased with the Cottage Organ which I purchased from you; it combines sweetness and power in an unusual degree, and is quite a favorite in our family circle. - Bishop Simpson. We know of no other of the class which possesses so many valuable qualities. - Independent. For the parlor, its sweetness is remarkable; for the church it has a power more organ-like than anything we have seen. - Methodist. Persons wishing to purchase an organ are requested to examine ESTES'S in person, or in use at the Presbyterian and Episcopal Churches, Bedford. July 12, 1867
