

THE WORLD.

At the opening of the year 1868, The World challenges, more confidently than ever, the sympathy and support of all patriotic citizens. A glorious work has been gloriously begun. Deep already answers to deep. The fidelity of this journal to the cause of Liberty protected by Law stands nobly vindicated in a splendid victory shining from Maine to California. Connecticut, Ohio, Pennsylvania, New Jersey, New York, have thundered forth their verdict upon the misrule and madness of the Past. But much more still remains to be done. Never was the country greater. The Radical party still decrees the death of representative self-government in ten sovereign States. Armed with military despotism and wholesale Negro suffrage, it desperately grasps at a permanent lease of power in defiance of public opinion, at the cost of enormous taxes and of crippled industries, at the cost of Union and Peace.

The chief use of a Newspaper is to give its readers ALL THE NEWS. For this the facilities of The World are unsurpassed by any journal in the United States. It seeks to excel, by an accuracy and candor, a spirit and freshness in its news columns which shall commend it to readers of whatever party, sex, creed or place.

As an organ of opinion, The World is the unflinching champion of

A LIBERAL PROGRESSIVE DEMOCRACY, whereof the corner-stone is Freedom restrained by Justice; Freedom pure and simple, in the largest collective measure; the office of Justice being to protect Freedom from its crochancous enemies; Freedom of the individual citizen, in his rights of thought, speech, religion and locomotion; in his right to choose his own food and drink, in spite of middle-class temperance laws; in his right to make any money bargains he thinks proper, in spite of foolish usury laws; in his right to buy and sell in all markets, domestic and foreign, in spite of unjust protective tariffs; in his right to representation in the legislative bodies which tax him, in spite of unconstitutional exactions; Freedom of collective citizens to assemble for discussion of grievances; Freedom of all local communities from the interference of local affairs without central interference; Freedom, in every section of the country, from the arrogant and unconstitutional domination of other sections. This large and comprehensive idea of Freedom sums up the politics of The World which will never be found wanting to this capital interest of the country and of the human race.

A paper published in the metropolis is naturally looked to for condensed Matter. Reports and authentic information, and intelligent discussions relating to

TRADE, COMMERCE AND FINANCE. In these features The World invites comparison with any other journal.

The Weekly World, a large quarto sheet, same size as Daily, is now printed wholly in large type, and since its union with the New York Argus has the largest circulation of any weekly journal published, save one. It is an unrivaled journal for the Farmer, Live Stock or Produce Dealer, Country Merchant, etc. Published Wednesday.

The Semi-Weekly World is a large quarto sheet, same size as Daily, which, by omitting the great mass of city advertisements from the Daily, contains everything else that appears in the daily and weekly editions. Published Tuesday and Friday.

The Daily World affords a complete compendium and discussion of the news of every day.

The Pittsburgh Daily Dispatch is one of the largest, liveliest and most widely circulated papers in the State. It contains the most reliable market reports, the latest telegrams, the fullest local reports, with the latest news by mail, including the most interesting personal and political items, full telegraphic market reports from all points of importance, East and West, and much other matter of an entertaining and instructive character.

The Dispatch is furnished by mail at \$8 a year, or may be ordered by express at fifteen cents a week. Send for a specimen copy.

THE WEEKLY DISPATCH.—ONLY \$1 A YEAR!!! In issuing their Prospectus for 1868, it affords the Publishers gratification to be able to state that their weekly, like their daily, enters upon the new year under very flattering auspices. It has been enlarged to nearly double its former size and now contains thirty-two columns of matter printed on bold copper-faced type making it one of the handsomest as it has long been one of the cheapest, if not the cheapest, weeklies in the country.

It contains all the latest news of the day—Political, Commercial, and General, and as an entertaining and acceptable Family Newspaper is not excelled by any paper in the State. The weekly Dispatch is furnished to single subscribers at \$1.50, or in clubs of ten to one address at \$1.00 each, with a free paper to the party getting the club.

Subscribers may remit us by mail, either in bills or by Postoffice order, which is the safer mode. Postmasters receiving subscriptions for the Dispatch, either Daily or Weekly, are authorized to retain twenty per cent. on our published rates, for single subscribers, or ten per cent on our club rates.
