MONEY! MONEY! WANTED Again we are compelled to call upon thos who are indebted to us for Subscriptions, Advertising and Job Work to come forward and give us a helping hand by paying up the little pay without grace and we desire to do so, but without money we cannot do it. There is certainly money in the country. Our farmers have received such prices for their produce during the last five years that they must have realized fortunes. They have had very heavy crops and had to buy comparatively We pray they may have at least laid enough by to pay the printer. In addition to the little debts that we desire to pay, we intend to make some material improvements.
