LECTURE.—The second lecture for the benefit of the Cemetery Association, will be delivered on Tuesday evening next, at the Court House, by Rev. H. Heckerman. Subject: *Our Nationality.*

COLD WEATHER. The week ending Saturday Feb 8, was the coldest of the winter thus far. On the morning of the 4th the mercury stood 6° below zero and on the 5th at zero. On Saturday, the 7th, the mercury stood at 12° below zero at daylight, being the coldest weather of the past three years.

"WHERE'S THE POLICE?"—The street in front of the INQUIRER office was made the scene of a disgraceful fight on Tuesday. One of the participants was pretty badly bruised, whilst the other sustained little or no injury. Such disgusting scenes do not speak very well for the order loving character of our country friends, but we suppose "too much whiskey" is the excuse offered.

FIRE!—One night last week a small building detached a short distance from the main building, and used as a kitchen by the family of Mr. Thos. Rea, of Bedford township, took fire, and owing to the lateness of the hour, was consumed, with its contents, before the family were aware of its being on fire. Fortunately, the night was calm, otherwise, the destruction of the property in close proximity would have been rendered inevitable. Loss, $300.

NARROW ESCAPE.—Two sleighs, in attempting to pass each other on the hill a short distance this side of the "Old Mill," between this place and the Springs, came in collision through the horse attached to the one sleigh becoming frightened, which resulted in the throwing of one of the sleighs, together with its lady occupant, Mrs. D. W. Prosser, and the horse attached to the other sleigh, over an embankment some ten or fifteen feet in height, into the stream of water below. Strange to relate, the young lady escaped almost uninjured, a few slight bruises being all the hurt sustained.

DEATH OF MR. FREDRICK RIDENBAUGH.—On Friday morning, January 31, 1868, at a little past 7 o'clock, Mr. Fredrick Ridenbaugh died at the residence of his sister, in Rock Island city, Illinois. Several of his relatives, among them his brother William, from St. Joseph, Mo., were present, as well as several of his old friends in this city. Mr. Ridenbaugh was born in Bedford, Pa., Oct. 10, 1810, and was, therefore, 57 years of age last October. He went to Rock Island about the year 1841 and was probably as generally known in that region as any one in Rock Island. He was kind-hearted, whole souled generous and honest, and will be much missed by his intimate friends and acquaintances.

MEETING OF THE COUNTY COMMITTEE.—Pursuant to previous call of the Chairman, the Republican County Committee met at the Washington Hotel on Tuesday afternoon, and elected Maj. D. Washabaugh, Delegate to the State Convention, and instructed for Gen. U. S. Grant for President, and Hon. E. M. Stanton for Vice President. Three Conferees were appointed to meet with similar gentlemen from the other counties of the Congressional District to elect a Delegate to the National Convention, and were instructed to present the name and support of Hon. John Cessna, as the Delegate from the 16th Congressional District, and if the State Convention make the selection the Delegate from this county is ordered to carry out the instructions given the Conferees.

THE GALAXY.—The February number of this valuable monthly is one of rare interest. Church, 39 Park Row, New York. Yearly subscription—$3.50

THE HERALD OF HEALTH—Contains meritorious articles enough in its Editorial Department alone to build up the reputation of any magazine in the country, to say nothing of its fullness in its department of most valuable information upon all health and moral topics. Miller, Wood & Co., 15 Laight St., New York. $2.00 per annum.

THE WORLD AT HOME—Is the title of a magazine published by Evans & Co., of Philadelphia, the first number of which appeared in January. ATLANTIC MONTHLY.—The *Atlantic Monthly* for Februray is on hand filled with valuable, highly interesting and instructive reading. The leading article—"Does it Pay to Smoke?" deserves a careful reading, whilst the poetical effusion entitled, "The Meeting" is a piece of rare worth. The other pieces are in keeping with the usual character of the articles with which this valuable magazine is always filled. Ticknor & Fields, Boston. Yearly subscription—$4.00

THE AMERICAN FARMER'S HORSE BOOK.—We are pleased to call the attention of our readers, to the *American Farmer's Horse Book*, embracing a full discription of the causes or nature of all diseases peculiar to the American Horse together with the most simple and effective modes of treatment with an extended treatise on stock raising and stock management.

One of the most valuable features of this work is that it gives the renowned Rarey's mode of *breaking, gentling* and *training* the Horse.

J. B. Farquhar is agent for the sale of this valuable work and Farmers will do well to secure a copy immediately.

"Canst thou not minister to a mind diseased,
And, with some sweet, oblivious antidote,
Cleanse the foul bosom of the perilous stuff
That weighs upon the heart?"

Certainly; Plantation Bitters will do it when nothing else will. Melancholy, Depression, Hypochondria, Insanity, all spring, more or less, from a diseased stomach, and this, Plantation Bitters is a sure cure for. There is no mistake about it; Dyspepsia, Headache, Dullness, Ague, and Low Spirits must yield to the health-giving and genial influence of the Plantation Bitters. If you are in doubt, make one trial and be convinced. Thus say those who know. 2t

Everybody reads Dickens; not to read his works is to confess that you have no literary taste. tf.

Debility and Emaciation

Both result from the lack of ability to convert the food into nutriment. How necessary, then, for those suffering from these alarming symptoms to immediately resort to a remedy that will strengthen the stomach and digestive organs. For, as soon as this desirable object has been accomplished, the health improves, and the patient resumes his usual personal appearance. HOSTETTER'S STOMACH BITTERS have attained a world wide popularity in such cases, and have been proven the best and safest means of removing constipation, toning the stomach, giving energy to the liver, and relieving every symptom of nervousness and depression of spirits. Its cheering and beneficial effects are highly spoken of by thousands, who owe to it their restoration to health. No restorative in the annals of medicine has attained the same popularity in the short space of time it has been before the public, or has won the high endorsement accorded to its excellent tonic. Many other preparations, purporting to be correctives and restoratives, have been introduced, and have perished one by one, while the popularity of HOSTETTER'S STOMACH BITTERS continues to increase, and is now recognized as a standard household medicine. The success which attends the use of the Bitters evinces at once its virtues in all cases of debility and diseases of the stomach. Certificates, almost without number, have been published, attesting its truly miraculous power in removing those painful and fearful diseases. And at this time it seems idle to do more than call attention to the great remedy of the age, in order to awaken public attention to its excellence. It is the only preparation of the kind that is reliable in all cases, and it is therefore worthy of the consideration of the afflicted.

SPECIAL RATES FOR 1868.
DAILY AND WEEKLY TELEGRAPH.

The conventions, to nominate candidates for President and Vice President of the United States, and also to place in nomination the candidates for Auditor General and Surveyor General of this State, have been called, and in the course of less than three months both political parties will present their respective candidates to the support of the American people. A country still in imminent peril is to be saved by the success of the Republicans in 1868. The grand question is to be settled for free government or for anarchy; for lasting peace or for another war, as to whether Union men or ex-rebels shall dictate the reconstruction. The battle of the war is continued in the political arena. Our enemies have consolidated under a treacherous President to wield every energy that desperation can summon, to dominate the land to the ideas of the ex-confederacy. These men are using the main engines of popular power, and are putting forth unprecedented exertions to circulate newspapers that misrepresent the dSings of the Republican party.

In order to do our part of the work, the proprietor of the *Daily and Weekly Telegraph* has concluded to make proposals that will enable our friends to extend the circulation everywhere. The position and influence of the *Telegraph* is well known. As a paper for business men, it challenges competition. The news from all parts of the world is received over the magnetic wires and published in advance of other journals.

The following are the reduced terms for clubs, on which, at no considerable sacrifice, we offer to furnish the *Telegraph* for the present year:

THE DAILY TELEGRAPH.

Daily, 1 year, in advance	$7 00
" six months "	3 60
" three months "	1 50
" 5 copies for one year	25 00
" 10 " " "	45 00

THE WEEKLY TELEGRAPH.

Weekly, 1 copy, one year, in advance	$1 50
" 5 copies " " "	6 25
" 10 " " "	10 00
" 20 " " "	18 00

We hope that every Republican will constitute himself an agent, and aid us in extending the circulation. Address GEORGE BERGNER,
Harrisburg.
