525 MILES

OF THE UNION PACIFIC RAILROAD

BUNNING WEST FROM OMAHA ACROSS THE CONTINENT

ARE NOW COMPLETED. Rocky Mountains, and it expected that the track will be laid thirty miles further, to Evans Pass, be highest point on the road, by January. The maximum grade from the foot of the mountains the sumit is but eighty feet to the mile, whil

Work on the rock-cutting on the western slope will continue through the winter, and there is now

no reason to doubt that the entire grand line to the Pacific will be open for business in 1870.

The means provided for the construction of this Great National Work are ample. The United of from \$16,000 to \$48,000 per mile, for which it takes a second lieu as security, and receives pay-ment to a large if not to the full extent of its claim in services. These Bonds are issued as each twenty-mile section is finished, and after it has been examined by the United States Com-missioners and pronounced to be in all respects a

first-class road, thoroughly supplied with depots repair-shops, stations, and all the necessary rolling stock and other equipments. The United States also makes a denation of 12,800 acres of land to the mile, which will be a source of large revenue to the Company. Much of IST OF JURORS drawn for an Adjourned Court, 1st Monday, 2nd day of March, A.D. this land in the Platte Valley is among the most fertile in the world, and other large portions are overed with heavy pine forests and abound in

The Company is alse authorized to iussue its own First Mortgage Bonds to an amount equal to the issue of the Government and no more. Hon. E. D. Morgan and Hon. Oakes Ames are Trustees for the Bond-holders, and deliver the Bonds to the Company only as the work progresses, so that they always represent an actual and productive

The authorized capital of the Company is One Hundred Million Dollars, of which over five milions have been paid in upon the work already

At present, the profits of the Company are deved only from its local traffic, but this is already if the Bonds the Company can issue, if not anther mile were built. It is not doubted that when the road is completed the through traffic of the only line connecting the Atlantic and Pacific States will be large beyond precedent, and, as there will be no competition, it can always be done it profitable rates.

It will be noticed that the Union Paciffic Rai road is, in fact, a Government Work, built under the supervision of Government money, and that its bonds are issued under Government directors. It is believed that no similar security is so carefully guarded, and certainly no other is based upon a large or more valuable property. As the

FIRST MORTGAGE BONDS, re offered for the present at 90 CENTS ON THE DOLLAR, they are the cheapest security in the market, being more than fifteen per cent lower than U. S. Stocks. They pay

SIX PER CENT. IN GOLD,
or over NINE PER CENT. upon the investment.
