DEATH OF A. J. RILEY.—A. J. Riley, late of the 10th Reg't, Pa. Vols., died at the residence of his father, in East Providence township, on the 29th of February, from the effects of wounds received in the service. His remains were followed to the grave by a large body of his former companions in arms, and appropriate honors were paid the deceased. The funeral discourse, we are informed, was the largest ever witnessed in that section.

LIMB BROKEN.—Dr. Oellig, of Woodbury, in this county, met with a sad mishap on the 19th ult. Whilst on his way to visit a patient, on Horseback, the animal fell and threw the Doctor, breaking his limb. Being alone, it was some time before assistance was rendered him, but his calls were finally heard by some workmen near by, and he was removed to a House not far distant and properly cared for. We are glad to learn that he is recovering.

IT IS NOT RIGHT.—We hear considerable complaint made against parties who have suffered lumber, refuse building stores, ashes &c., to accumulate on the street and pavement in front of their dwellings and places of business, to the annoyance of their neighbors. By thus obstructing the drains the refuse which would necessarily be carried off with melting snow and ice is forced upon the pavement and into the cellars, thereby making it very disagreeable and unhealthy. We know of one instance wherein a nuisance, such as would scarce have been suffered in the smallest town in the county has been allowed to pass unnoticed during the whole winter, much to the endangering of life and limb. Won't the authorities look to this matter.

REBELS IN BEDFORD.—A dispatch from Bedford, Pa., reads as follows:

There is great excitement at this place about the impeachment, and several companies are being rapidly organized to support the President. Capt. T. H. Lyons has already fifty men on his list, and at last three companies can be raised in forty eight hours. We would like to see how many of the names here enrolled are on the petitions to the Legislature to reimburse them for damages done by their rebel friends under Gen. Early. They propose now to march to the aid of the men who burned Chambersburg and ravaged the country for which the State treasury had to pay. The community should preserve the names of these volunteer traitors for future reference. They may be valuable in hunting out future enemies of the country.—Shippenburg News.

THE SPRING ELECTIONS.—The Republicans of this county will remember that the spring election will be held on the 20th March, next and that they can only succeed by effecting a thorough organization and thereby polling a full rate. The opposition will spare no efforts to carry their candidates and there is no reason that Republicans should not do likewise in the face of the approaching Presidential canvass. Let township and borough meetings be held and full tickets be nominated at least a week, previous to the election and then let every Republican vote be brought out and polled. If this is done the Republicans will be prepared to go into the next canvass in a manner that will insure their triumph.

ON MONDAY evening last Miss Haley gave another of her popular entertainments, consisting of select readings and recitations, in the Court Hall. The programme was made up with great care, and the selections rendered in her usual entertaining style. Owing to the very large attendance, the audience was not as pleasant as the one she had during February Court week; still we were pleased to see so large a portion of our reading people present. We hope such entertainments may soon be liberally patronized by the public everywhere, and bespeak for Miss Haley success in her profession as an elocutionist.

IMPEACHMENT MEETING.—An Enthusiastic Turn-out.—Speeches, Resolutions, &c.—Pursuant to a call issued at the solicitation of many earnest Republicans, a large number of our citizens assembled in the Court House on Wednesday evening of last week, in order to express their feelings on the great question of impeachment. The meeting was altogether an impromptu one, no previous notice having been given through the papers, and it not being the night on which our meetings are generally held, but a few of our friends from the country were able to meet with us. Nevertheless, the Court room was filled with quite a respectable, attentive and enthusiastic audience. J. H. Longenecker, Esq. Chairman of the County Committee, called the meeting to order, and CAPT. WILLIAM GRACY, of E. Providence was chosen President; SAMUEL SHAFER, of Union; FRANCIS GROW, Esq., Cumberland Valley, M. L. HETRICK, Colerain, Dr. F. ALLEN, Saxton, Capt. J. S. STUCKEY, Napier, LEONARD BITTNER, Juniata, GEORGE W. SHAPER, Monroe, and Maj. SIMON DICKERHOFF, of Bedford, were made Vice-Presidents, and JOHN LUTZ, Esq., of Bedford, Capt. WILLIAM HAFER, Cumberland Valley, and B. M. BLYMERE, of Bedford, Secretaries. A committee, consisting of William M. Hall, Esq., John W. Lingenfelter, Esq., and Daniel Sams, Esq., were appointed to draft resolutions expressive of the sentiments of the Republican party of Bedford county on impeachment, after which the meeting was addressed, first by M. A. Points, Esq., followed by Wm. M. Hall, Esq., and Hon. John Cessna, each in turn presenting the question of impeachment in a clear and Constitutional light, and their usual happy style drew frequent rounds of applause from the assembly.

The Committee on resolutions reported the following, which were adopted with enthusiasm: 1. That the Union Republican party of Bedford county, in mass meeting assembled, re-affirms its adherence to the principles of justice, equality and national integrity, which were vindicated in the late war for the suppression of the rebellion; and declares its approval of the reconstruction measures of Congress, which propose to gather up and secure the legitimate fruits of victory, so that secession and destruction of the National life shall be forever hereafter impossible.

2. That we denounce the conduct of Andrew Johnson, whom the hand of an assassin placed in the Presidential chair, as utterly subversive of the Constitution and of all good government, based on the truth that will of the people is the Supreme Law of the land.

3. That in his persistent efforts to reconstruct the Rebel States, in disregard of the will of the people expressed again and again by a large majority in Congress, and to thwart the reconstruction laws of Congress, he has shown a reckless disregard of the laws and the Constitution and has made himself a dangerous usurper of unauthoritative power.

4. That in his removal of Gen. Sheridan, in his suspension of Hon. E. M. Stanton, in his quarrel with Gen. Grant, in his conferring brevet rank upon Gen. Sherman and George H. Thomas, in his efforts to place himself in antagonism to Congress, and in his appointment of Gen. ad interim Thomas to displace Mr. Stanton from the War Department, we recognize on the part of Andrew Johnson acts of rare malignity, hatred and contumacious defiance of the laws and the Constitution of our free institutions.

5. That we most heartily ratify and endorse this action of the House of Representatives in impeaching Andrew Johnson—that his conduct has furnished the clear evidence of his guilt; and we demand from the Senate as speedy and prompt action as is consistent with the forms of law, and a fair and impartial trial, that this betrayer of the interests of a great nation may be tried without unnecessary delay, shorn of his honors, and consigned for the future to the companionship of unrepentant and defiant rebels, in whose interests he has worked, and whose sympathy he has alone sought.

6. That the thanks of the country are due to Hon. E. M. Stanton, Secretary of War, for his stern devotion to duty and to the country, and for his firm, unyielding adherence to his rights under the law, at a time when such adherence was essential to the preservation of our free institutions. The country will never forget the debt of gratitude it owes him.

7. That we cordially applaud the conduct of Gen. Sherman and George H. Thomas in their refusal to discontinue the nominations of Brevet rank tendered to them by Andrew Johnson.

8. That we approve the course of our representatives in the Legislature, Messrs. Richards and Welles, in their efforts to give the State a fair, free railroad law; that we endorse the bill as it passed the House, and disapprove the Senate bill, and instruct our Senator, Alexander Stutzman, to vote for the House bill.

9. That we again endorse Gen. Grant as our preference for President. Having conquered rebellion in the field, he may well be commended with crushing out traitors in the cabinet.

10. That we again signify our unequalled approval of the integrity, ability and dignity with which John W. Greig fills the gubernatorial chair of the noble Keystone State.

In all good feeling, and with an earnest determination to go to work and battle with renewed vigor in the coming contest, the meeting adjourned.
