BOUND WESTWARD.—During the past few days a number of our neighbors have disposed of their goods and taken their departure for the western countries; among whom are F. Barton, Wm. Grisinger, T. N. Young, John L. Grove, P. N. Runvan, S. Palmer, Thos. Piper and John W. Gates. Although it is with feelings of regret that we gave them the parting hand, it still affords some consolation to those they have left, to know that they have a clean record behind them, and wheresoever their lots may be cast their good influences will be felt, and we hope they may find congenial homes, and be richly rewarded tor all their labors. Our best wishes go with them for their future prosperity and tranquility.—
