Extensive Swindling.—We learn that a spurious draft for \$550 was presented at the First National Bank of Johnstown on the 1st inst, by a man who called himself William Hall, and paid. The draft purported to have been drawn by the banking house of Howard & Baker, of Watertown, N. Y., on the Fifth National Bank of New York. The trick was a most ingenious one, as the draft had all the indications of being genuine, being printed on an engraved plate, which was regularly numbered and canceled by stamp of Howard & Baker.
