GRAND UNION RALLY!

The Republicans of Bedford County, and all who co-operated and sympathized with us in our recent struggle, and helped us achieve such a splendid triumph over the enemies of liberty, and the foes of freedom, are cordially invited to assemble in

GRAND MASS MEETING,

at the COURT HOUSE, in Bedford, on TUESDAY the 17th NOVEMBER inst., (being the Tuesday of Court) for the purpose of mutual congratulation over our unprecedented victories, and for the inauguration of such measures as shall conduce to the prosperity and vitality of the Grand Old Republican Party, and for the preservation of our National Union. Now, that the Right has so gloriously triumphed, it is meet, that we should come, and rejoice together, survey the field on which our forces conquered, take renewed courage, and re-doubled action, press the foe more vigorously, until we lay immoveably and imperishably the foundations of the doctrines of "equal and exact justice to all and for all."

COME OUT IN YOUR MIGHT.

J. W. LINGENFELTER.
Chairman Republican County Committee.

Oh! go to Crouse's Resort for Tobacco, segars, Snuff, Pipes &c. Court week.

All persons in attendance at Court next week will find it to their advantage to call at the INQUIRER Book store and supply themselves with school books, stationery &c.

The Weather has been very changeable the last few weeks the consequence of which, is that every body is suffering from a bad cold.

It is astonishing how fast children learn from the books they buy at Heckerman's. Remember that they Sell School Books very cheap.

A fine selection of Albums, at prices to suit purchasers, for sale at the INQUIRER Book store.

D. W. Crouse has some very good segars now at a low figure. Country Merchants will have a rare opportunity court week to give him a call. Try Dan.

Any persons in want of Family Bibles, Testaments, Hymn books &c., will find them cheap for cash at the INQUIRER Book store.

Paper Flour and Buckwheat sacks constantly in store and for sale by.

3m. G. R. Oster & Co.

Fire.—On Sunday evening last the barn of Mr. Joseph Fisher of Cumberland Valley, was entirely consumed by fire. The barn was new and filled with grain, hay &c. It is supposed to be the work of an incendiary.

The Grading of Juliana street is going on finely, what has already been done, adds greatly to the appearance of the street and when the work is once completed it will be an honor to the borough.

The Appointments of the Poor House have been made for the coming year. Mr. Wills is continued as miller and Samuel Defibaugh as steward. The appointments we think are as satisfactory as any other that could have been made.

On Hand—The INQUIRER Book Store has just received a large supply of school Books Stationary &c., which are selling at City prices. Country orders, filled at remarkably low prices. Come and see us, before they are all gone.

Money Wanted.—We need money badly and our friends will do us a favor by calling on us during Court week and settling their accounts. Those who don't come to Court can send the amount of their subscriptions with their neighbors. Remember that fifty per cent is saved by paying in advance.

When the Plantation Bitters were first made known to the American people some seven years ago, it was supposed they were an entirely new thing, and had never before been used. So far as their general use in the United States is concerned, this may be true. It is also true that the same Bitters were made and sold in the Island of St. Thomas over forty years ago, as any old planter, mer, chant or sea captain doing business with the *West Indies* will tell you. It is distinctly within my recollection that on the return of my father (who was a sea captain, and doing an extensive trade in the tropics.) he would invariably have the bitters among the ship's stores, and our family sideboard was never without them. For any sickness, it matters not how severe or trifling, the decanter of these Bitters, by a different name, was always resorted to as a sovereign remedy.

Watsons' Philadelphia Business Directory, for 1869. We call the attention of our Merchants to this new and valuable little work of reference to the Trade of Philadelphia, and commend its utility to every merchant buying goods, or doing business with Philadelphia to the extent of a thousand dollars a year. It will contain a classified list of all the Merchants, Manufacturers, and Professional men of Philadelphia, arranged in systematic alphabetical order, a well executed Lithographic Map of the City, and views of the Public Buildings, with other objects of interest in and around the Quaker City. In ordering goods, directing correspondence, or ascertaining where to obtain any article of trade, or manufacture, it will be indispensible to our Merchants. Such a work is much needed, and its popularity, and the standing of the publishers, is vouched for by the Daily Inquirer, Telegraph, and the leading Daily and Weekly Press of Philadelphia. Messrs. Watson & Co., 219 Dock Street, Philadelphia are the Publishers, and will send the work as soon as issued, by mail, postage prepaid, upon the receipt of One Dollar. Send your subscriptions in immediately.

Terrible.—Several over-zealous Blair devotees, true to the false doctrines and teachings of Bedford Democracy, have been arrested for illegal voting and other fraudulent acts. These arrests have caused a general uproar among the Kings of "the lost cause" and they clamor long and loud about freedom &c. Take things easy gentlemen, you are in for four years more of Republican rule, and as the power party believes in that constitution which says "All men are created free and equal," you will be cared for tenderly.

Horrible Death.—One day last week a son of Mr. Daniel Bayer of South Woodbury, who was working with a threshing machine was caught by the tumbling shaft and before the machine could be stopped, his arms and legs were broken and crushed and his body horribly mutilated. The boy was a very promising lad, and his sudden and horrible death will be mourned by his many friends and associates.

Terrible Accident.—The boiler of a passenger train bursted at Newry on monday last, killing two men a Mr. Davis and Patterson. They were literally blown to pieces; a portion of one of their bodies lodged on top of the Methodist church, a considerable distance from the scene.

You may be too late.

Be warned in time. Diseases like Indigestion and Dyspepsia are not to be trifled with. There is such a thing as being *too late* in these matters. Inflamation, or Schirrhus Cancer, or some other dangerous disease may ensue, when all restoratives, no matter how potent, would be ineffectual. Do not delay then. When the symptoms of Dyspepsia are first experienced resort at once to the great restorative medicine, HOSTETTER'S STOMACH BITTERS, and you will be safe.

But few disorders involve greater suffering, and, if not in itself immediately dangerous, it is the source of many deadly maladies. Even if it did not tend to greater evil; the mental and physical misery it produces is alone a sufficient reason why no pains should be spared to prevent or cure it. In no country on the face of the globe is it so completely domesticated as in our own, where it is found in nearly every household. Hostetter's Stomach Bitters are universally conceded to be the sovereign remedy for this annoying disease, as they act directly upon the digestive organs, correct and tone the stomach, and give renewed vitality to the system. Acting delightfully upon the nerves and soothing the brain, renders them efficacious as a mental medicine, as well as a genial stomachic. If taken as a preventive, they will be found particularly well suited to the diseases arising from the unhealthy season of autumn, and their use will prevent the creeping, unpleasant sensation often complained of when the chills are stealing slowly upon the patient. MARKETS.

Philadelphia Nov. 7.

The stringency in the money market and the violent fluctuations in gold have a depressing effect upon trade generally.

There is not much new cloverseed coming forward, and it ranged from $7 to $7 50. Prices of timothy are entirely nominal. There is a fair inquiry for flax-seed, and it sells on arrival at $2 60 @ 2 65 per bushel.

The flour market is devoid of activity, but there is no great pressure to realize, and prices remain as last quoted; sales of 500 barrels Wisconsin extra family at $7 25@8 per barrel; 200 barrels handsome Minnesota do. do. at $8 26; winter wheat, Pennsylvania and Ohio do. do. at $8 50@10 50; and fancy lots at $11@13. Rye flour is held at 8. In corn meal nothing doing.

The wheat market is quiet, with sales of 2,000 bushels red at $1 90@2 10, and Amber at $2 10@2 14 per bushel. Rye steady at $1 50. Corn dull. In the absence of sales we quote yellow at $1 18, and Western mixed at $1 16. Oats are steady at 68@70c.

This Company, National in its character, offers, by reason of its Large Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium, being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to create among the Policy-Holders.

Several new and attractive tables are now presented which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life Insurance, payable at death, but will receive, if living, after a period of a few years, *an annual income equal to ten per cent. (10 per cent.) of the par of his policy.* In the latter, the Company agrees *to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.*

The attention of persons contemplating insuring their lives or increasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Company.
