

WHAT IS IT?

What is it that induces the mechanics and laboring men of this country to cast their votes and fortunes with the Republican party?

The above is a specimen of the halldash with which copperhead papers attempt to deceive the honest laboring man.

Now that Grant is elected, he is already beset with a host of borers for office and self constituted advisers.

THE REPUBLICAN PARTY FOR GRANT IN PENNSYLVANIA is now fixed by the official returns at 28,898 a gain since the October election of 19,221.

IN OUR NEWS COLUMNS will be found the opinions and preferences of a number of our contemporaries upon this important subject.

But we think the sixteenth district has a man second to none in the State for eminent ability and fitness for the position.

WE SAW THE NAMES of J. Lothrop Motley and George Bancroft, our distinguished historians, mentioned as likely, one or the other to be appointed Secretary of State in Grant's cabinet.

THE COPPERHEADS are proposing an extraordinary piece of magnanimity. They propose that their electors shall cast their votes also for Grant and Colfax in the electoral college.

THE SPEAKERSHIP.—Mr. James G. Blaine, of Maine, and Mr. D. W. Davis, of Massachusetts, are named for the speakership of the forty-first House of Representatives.

THOSE RESOLUTIONS.

In our local columns will be found the resolutions offered at the meeting on Tuesday night. With the exception of the 4th and 5th they are fully and heartily endorsed by the vast majority of the country.

WE HAVE BEEN UNABLE to find a single republican outside of the parties managing the affair, who either consents to or in any way approves of the resolution.

THE LATEST NEWS, in regard to our toady Minister Levery Johnson, is that he was repudiated by the Administration.

Democratic Support of Negro Suffrage.—There is reason to believe that there would be less opposition to a Constitutional amendment in the States where the Republican Democracy are represented by less active and more energetic men.

OUR NEXT GOVERNOR.—The re-nomination of Gov. Geary is almost a certainty, for he is not only without any opposition, but it is hardly possible that any other candidate will be presented to the Republican party.

THE WORLD FOR GREENEY.—The World comes out in favor of Horace Greeley's re-nomination for President.

AN EARTHQUAKE in Ireland on October 24th created the most intense excitement in the city of Cork, although the shocks were not perceived in the vicinity of that place.
