It happened he preached to his persecutors until he died. fore another table, and as each man pre- throw himself off his horse, leap over the that Mr. Disraeli had arranged for quitting England on the day but one after receiving this invitation. He wrote to say so, and the morrow was fixed for the symbosium. Four gentlemen sat down at Mr. Bulwer's table on that occasion-one being, of course beheaded. the host; another, Mr. Disraeli; the third, a man shy but evidently intelligent-for, though he said comparatively little, his remarks, as often as he hazarded them, were keenly to the purpose; the fourth, a private

friend of the host, need not be specified. "It was an evening not to be forgotten, because then, as now, both Lord Lytton and The least, know that the hatred of the world to party broke up about midnight, and the host these men and their teachings was sufficient and his friend were left alone together. After discussing Disraeli, the question was put: 'Who is your silent guest?' 'He is one of the ablest men I know,' was the reply. 'He | the famous sculptor, will visit his native was my contemporary at college. He is now country the coming summer, it is stated, quer and leader of the House of Commons, withal. The particular critic came in the s now First Lord of the Treasury.'

THE MYSTERY OF EDITING. The world at large does not understand tently for five minutes, he said to Powers, the mysteries of a newspaper; and as in a who was at his elbow: "There are some passive instruments of the springs, which some extraordinary defects. The nose is As for ours, we are not obliged to do either." are never seen, so in a newspaper the most worthy causes of its prosperity are often queer twist. One arm is longer than the benear' waren' and paper willves must the enterprise, the vigilance, and the watchful It would be utterly impossible. I don't see fidelity of the publisher? Who pauses to Hiram how you could have made such a think how much of the pleasure of reading blunder." Powers laughed, and inquired if they exist, but seldom observe the ex- out of the case, and bursting into a loud voyage.

We cat a hearty dinner, but do not think natural, myself." The critic did not hear pains and skill. But a cook of vegetables, sculptor. meat, pastry, and infinite bon-bons has a paradisaical office in comparison with an edmark for other eyes the matter that ally true, especially so with the oversensirequires attention. His scissors are to be tive-the too high-strung. But it is often take in what two hours' search produced.
