The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, BEDFORD COUNTY. and laying down a line of nine hundred miles at

nce, between the following ports, viz: Population, ...1,000,00060,000250,000250,000 ..1,250,000 ..1,200,000

Total5,910,000 These ports have a foreign commerce of \$990,-00,000, and an enormous domestic trade, beside which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers

The cable being laid, this Company proposes erecting land lines, and establishing a speedy and command there, as everywhere else, the commusocial life, especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by

Nearly all of these, who are over ten Her civilization is peculiar, but her literature is FOR PERSONS SUFFERING FROM DISORof teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To day great numbers of fleet steamers are cwned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose, connecting all their great sea-
