BY AUNT HATTIE. Roasting meat. Many persons seem suppose that it is an indifferent matter whether meat is cooked for a short or long time, provided only that it is cooked enough. I have often seen them place the meat for dinner in the oven as early as nine o'clock, making no distinction between beef, mutton lamb, pork, chicken, goose, or duck, or three sider that it is not necessary to watch, for a thunder generous supply of water in the pan effectucooked or badly cooked meat, as between a loaf of good bread or bad bread, and perhaps more Meat of mature (and by mature I do not mean old) animals, such as beef and mutfrom immature animals, such as lamb and warning, "Keep off the grass-Adam." veal, which needs thorough cooking. The reverse is the case with poultry; all young poultry, such as spring chickens, young ducks and green geese, take far less time than tough old fellows that can stand any amount of fire. Pork should always be well done. These

you. Another thing, mature meat should as we get to the tunnel. never be put into the oven until the latter is Never stick a fork or a skewer into a joint of meat while it is cooking, as the of the surface cannot be effected. I think i advocates for water as an element in roasting advocates for water as an eleaned above a boy asked: "did he give milk?" a certain temperature, (its boiling point,) and that fat is susceptible of a much greater degree of heat, their scruples against grease as Dutchman concerning a pig "in court." a roasting agent would be removed.

first or second cut. The third cut is near the | short tail.' shoulder, and is not as good as the others. A small portion of the shoulder-blade is taken with the third cut, which the batcher removes, the street, spied two strips pending from beef and mutton should be cooked rare. ma'am, your gallasses are untied." There is a great uncertainty of the plates are meat is of a dark purplish color, while rare meat is of a delicate crimson. The plates should be very warm when rare meat is served. Allow no shore or fat in the gravy. Carrots chopped along with an umbrella. "And I," said he, gallautly, "am as much rejoiced as the poor it and and the poor it and the p There is a great difference between raw and

pork placed upon the top will improve the flavor, and will also serve to moisten or baste

stuffing made of crumbs of bread seasoned servation to Eve: with summer savory, pepper and salt, and a little lemon juice, if convenient; tie around a small cheese. Never use sage or onions man if he could have sacked London, rewith delicate meat like veal. Roast thoroughly; make a brown gravy by adding flour and water to the exuded juice in the pan; serve with slices of lemon, and fried or boiled pork. The loin should be served also with pork and lemon, and flour should always be

Lamb should be thoroughly cooked, but vill require less time than yeal or pork; when of a fine brown on all sides, you may conclude that it is done. Serve with mint sauce, made chopped to a pulp, add two tablespoonsful of sugar and a half teacur of sharp vinegar. Lamb and green peas is the rule, but any regetable nicely served will be acceptable. Meat for Children .- Many persons consid-

er meat injurious to children, but I allow my ldren a little beef or mutton whenever we have it for dinner, which is about four times a week; even the baby must have a piece as large as a finger, from which he pretty effectually extracts the juice. While I consider that meat in moderate quantities gives tone the fine of the first and the doctor; but I have the fine of the first and the doctor; but I have the fine of the first and the doctor; but I have the fine of the first and the doctor; but I have the fine of the first and the doctor; but I have the first and the first a that meat in moderate quantities gives tone My mother always gave her children milk and bread for breakfast, and bread and butter for breakfast, with a bowl of milk and bread for breakfast, with a bowl of milk and bread for speec. They are at table at breakfast and dinner, but not for tea.

When will he vote?'

"Ah—I see. Not bad. Well, look after him, and see that he votes right."

"No tear. He can't go wrong with the name he's got. His father is a Democrat, but when I told him he had got a boy, and asked him what he would name him, he said of milk and bread for supper. They are at table at breakfast.

AYER'S HAIR VIGOR FOR THE

THE GREAT DESIDERATUM of the AGE! A dressing which is at once agreeable, healthy, and effectual for preserving the Hair. Faded or way hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the fallicies are destroyed, or the glands atrophied and decayed But such as remain can be saved for usefulness by

es which make some gerous and injurious to the hair, the Vigor oan

fora HATR DRESSING.

nothing else can be found so desirable. Centaining neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, givin it a rich glossy lustre and a grateful perfume. Prepared by.
