Local Affairs.

Withdrawing—Twenty-seven Democratic candidates—Look out for a heavy fall in flour.

A SOLDIER takes a poor chance in the Democratic ranks.

SMOKERS and chewers should always bear in mind that D. W. Crouse has the very best brands of tobacco.

MAGNOLIA WATER—Superior to the best imported German Cologne, and sold at half price.

LOST—T. H. & N. J. Lyons will be much obliged for the prompt return of their watch by the person who last borrowed them.

The sign of the Indian is the place to get clothes, pipes and everything in that line, cheaper and better than anywhere else in the county.

The Colling of the gutter on the west side of Juliana Street was begun last week. We hope the work pushed to a speedy completion before the watering season opens.

ACCIDENT—On Friday last the Dunning's Creek Lutheran church was being torn down. S. Tomlinson had three ribs broken, H. Zimmers his hand crushed and W. Phillips his foot injured by falling timbers.

In another column will be found an interesting report of the dedication of the new Evangelical Lutheran Church at Blood Run.

A PENITENTIARY BIRD—A darkey named Barnes was arrested on Tuesday last for appropriating tools, sacks &c., from the Mill Town Mill. He had made one of the sacks into a shirt and had it on his back at the time of his arrest.

THE BEDFORD MINERAL SPRINGS we understand will open on the 10th—ample preparations have been made in expectation of a throng.

THE ARCADE HOUSE is now encompassed with a double row of porches, which is a great improvement since last year. Joe is determined to bring things up to the mark all round.

Mrs. V. B. Tate has been fitting up her building for the accommodation of visitors this season. It is a very pleasant situation on Juliana Street.

A. B. GRAMER and Lady have greatly enlarged their accommodations for guests this summer. They have fitted up another building, erected a tin-pail and beautified the grounds and made it in every sense of the word, a lovely place.

NEEDS TO BE ENLARGED—The gutter on the West side of Juliana Street from the Court House to the river was filled to overflowing on Monday last with an hour's brisk rain. It is three feet wide now and about ten inches deep. It needs to be made at least four feet wide and considerably deeper to carry off the surplus water during heavy rains.

Seward's Cough Cure, has cured Asthma.

ARRESTED—The Sheriff on his return home from Clearfield arrested a man by the name of Thistle, a jail breaker. He had been arrested about two years ago at Blood Run and lodged in Bedford jail, for fighting and attempting to stab or shoot a man, but made his escape and fled the diggins.

CREDITABLE—On Sabbath afternoon the graves of the soldiers were strewn with flowers in this place. The exercises were very appropriate and conducted in the right spirit reflecting credit on all who participated.

ANOTHER STRIKE—E. Y. Imler and J. R. O'Neil two enterprising men in the mercantile line of business here have adopted the Cash or Produce system in their place.

Be not deceived by imitations of Hall's Vegetable Sicilian Hair Renewer; call for Hall's and accept no other.

SLAUGHTER OF THE INNOCENTS.—The grand Democratic menagerie was exhibited in this county on Saturday last. The usual preparatory arrangements were made before hand. Benzine was shipped to the various election districts throughout the county to the detriment of the interests of an ex-shepherd and a number of other spiritual advisers who thereby lost about ten or fifteen gallons of that fluid. About ten or fifteen gallons of that fluid were sent to the State of Southampton and in less than twenty minutes, nothing was left of the machine, that was drinkable, save a few iron hoops—and still they hallooed for Moore. The result of this liberality was about fifteen votes in favor of the shipper, or a gallon a vote.—Heavy soakers. Wagon loads of empty kegs and demijohns sucked dry as missionary boxes were taken to town on Monday. In Bedford, the work-knives, limber-jointed, roarin, pugilistic members of the Red Eye brigade and the renowned canine Hero on his black kickin' steed, were on hand at the first break of day and worked hard till the hours of Sunday morning, drinking candidate rot and at the same time winding men to meet to the man that paid the bill. They would feed every tick presented to them, and promise to vote the same, until the thing became a floor to every candidate, and they soon realized the fact, that these Stock Silly Wags would play the Devil in Earnest a Piece in tickles and knock 'em on the head of twenty-seven of 'em. And so it happened; just as we predicted. The caucus ring in Bedford Borough monopolized the ticket trade on Saturday and elected none but those who were in their interests, utterly disregarding the faithful promises and pledges they had made to men whom on that day they worked to defeat. It was one of the most bitter contents we have ever witnessed. Lying, cheating, foul play, every mean, have been resorted to. Candidates making, candidates of leading politicians had their weakest points exposed to their enemies and were made victims to the lowest grades of treachery. The light tap on the candidate's shoulder at 1 o'clock, with the friendly advice to make a vote in that quarter, ten minutes afterwards, has been repeated by the same man, on the shoulder of his deadliest enemy, with instructions to pluck the same fruit with his own hand.

That it was that some of the men who had the best claims to the nomination, were indignantly delisted at the hands of their two false friends.

Whether those men who have been so outrageously treated will allow themselves to be buoyed up under false pretenses and made the dupes of party despotism, or whether their honest offended dignity and principles will rise up and denounce those atrocities, are questions which time will decide.

Democracy's love for the soldier was beautifully illustrated. Of the whole regiment of officers, only one was a soldier, and he was "scratched" all over the county, by the very men who call themselves the soldier's friends. Had he been a deserter, bounty jumper, or bummer, he no doubt would have been nominated. Let soldiers all take warning.

If you'd respected and honored he, Cut losses from rotten Democracy.

With the advent of the "month of roses" we have been once more thrown into the season of hay making, pic-nics and pleasure excursions generally. The farmers are busily engaged in securing their early hay crops, in that line this has been a very busy season. Labor may be completed before the grain harvest sets in. The young folks seek recreation in the woods, or in fishing parties, or in berrying excursions. This is also the season when early vegetables are thrown into the market, causing a general derangement of the "internal improvements" of mankind, and rendering medical aid a necessity. Just at this time the Great Zigzag Bitters step in as an antidote for the various diseases arising from the too free use of vegetables, and the numerous ill to which farmers are exposed during their excessive field labors, or to which pleasure parties are subjected by their efforts to obtain enjoyment in the country. A supply of the bitters should be kept on hand for use at this particular period when we are exposed to sickness.

MYNBER PAUL DISTRICT, of Milwaukee, feeling his earthly tabernacle, stored with troubles, to be expelled, decided, after full enquiry and investigation, to employ Ayer's Pills. In his haste to purify his Dutch stomach, he mistook the directions. 2 to 7, and swallowed 27 for a dose. This created, of course, an apoplexy and inter-rebellion. But Paul went through the right line, and came off victor at last, with a renovated system which he proudly exhibits as proof of the wisdom of his choice. He advises every body to take Ayer's Pills, but kindly advises his friends who are ambitious of following his example, to "be sure and take the right bottle."—Minnesota Telegraph.

Mrs. J. W. MULLIN has been appointed Assistant Assessor of the 14th Division of the 10th Internal Revenue district and entered upon the duties of his office on Monday the 31st ultimo. The Major was a gallant soldier and while in the military service, was Assessor with a faithful and efficient officer.

At work.—Workmen have been busily engaged during the past few days in tearing down the abutment to the Court House street. The foundations are now laid upon which the new stone steps to be erected. The work when completed will greatly improve the appearance of things about the Court House.

We have been using Seward & Bentley's Alumina hair wash, and have come to the conclusion that there is no preparation for the hair that is good. It is an elegant dressing, and makes the hair dark and glossy, giving it a lively appearance. It is not as expensive as an ordinary hair oil, and far better to use.

Seward's Cough Cure, has cured Asthma.

Church Dedication.—The 23rd of May 1869 will be remembered by the people of Blood Run Pa., and especially by the members of the Evangelical Lutheran church at this place. It was a beautiful day. The sun shone in all splendor, animating all nature with his genial rays, and the breezes were pleasantly playing among the green foliage. It was a glorious Sabbath day a day peculiarly adapted for the solemn worship of Jehovah, and for the consecration of houses of worship to the Triune God. Services of this kind were held in the Evangelical Lutheran church of Blood Run Pa., a new brick house 40 by 65 feet, comfortable throughout, with an audience-room sufficient to comfortably seat 800 persons and with a basement large enough to accommodate the same number, was appropriately consecrated to God. The ministers present on the occasion were: Rev. R. Fink, H. Baker, G. C. Probst, J. W. Vanhook, and P. D. Reiser, pastor loci. Rev. R. Fink President of the Allegheny Synod, preached the dedicatory sermon from Psalm 23, faithfully and successfully as the sequel demonstrates, to a crowded audience of attentive hearers. After the sermon an effort was made to liquidate the remaining debt, \$5400 dollars. Although the people of this congregation and members of other denominations and the citizens of Blood Run had done well before yet on deduction they did not exceed \$2200 were paid and pledged for the liquidation of the remaining church debt, leaving yet unpaid for \$1200 dollars. Rev. H. Baker of Altoona, then performed the consecration service. In the afternoon Rev. R. Fink delivered an excellent discourse from Hebrews 12. 22. After the sermon smaller sums of money were secured in subscriptions and cash to the amount of \$100 dollars. The services in the evening were conducted by Rev. H. Baker, who preached an most interesting and eloquent sermon on the text, "For I am not ashamed of the Gospel of Christ." Another effort was put forth to secure the remaining unpaid \$1100. The effort was successful beyond all expectation. About \$700 were secured leaving yet a small balance of \$400 to be provided for. This certainly was a most noble and praiseworthy work. \$3000 were given to the Lord. (The people of this congregation are rejoiced and greatly encouraged. The entire cost of the building was about \$6,400.

Nature is the Great Physician.—This is now admitted, by the medical profession as a fundamental principle of healing science. It is wisely provided by the human economy that whenever anything is wrong in the physical system the natural forces of the body are brought to bear to expel the disease. The great aim, therefore, is to strengthen the vital powers. This has been kept in view by the skillful compounders of HOSSETT'S STOMACH BITTERS, which operates to give fresh vitality to all the organs of the body. The effect of this medicine upon the stomach, the liver and the kidneys, is prompt and decisive. The patient, who is wise enough to quit, dragging and try the bitters, soon feels as if he had taken a new lease of life, and as he continues the use of the article, he is overjoyed to find the streams of health coming through his frame. It is prepared with great care, and its component parts are entirely vegetable. It is free from the objections so often urged against preparations of the kind. As a medicinal agent it has no equal, while its pleasurable flavor and healthful effects have made it a general favorite. It is free from all properties calculated to impair the system, and its operations are at once mild, soothing and efficient. All who have used HOSSETT'S STOMACH BITTERS attest its virtues and comforts.

Even those who are in the enjoyment of perfect health frequently have need to have recourse to tonics as preventives of disease. We are never too well armed against the assaults of the "ills that flesh is heir to." In health or sickness this tonic cannot be taken regularly without giving vitality and elasticity to the system.

VALUABLE PREMIUMS. NEW AND GOOD BOOKS. Having for four years past labored to improve and enlarge the Inquirer and to fill it with the latest news, that our people would have had of us or need of any other paper, we have found that of the chief difficulties in our way has been that of getting a sufficient number of subscribers to pay the expenses necessarily incurred in making and circulating a paper of this kind. Through the Inquirer has a larger number of subscribers than any other paper in the county, it still has but little more than half what it ought to have to justify us in the outlay necessary to keep it up to the standard at which we have steadily aimed. The Inquirer will continue to be the exponent and advocate of a thorough-going Republicanism, and of reformation, economy and reform in the administration of the affairs of county, state and nation. It will also, as usual, contain a larger amount of late news and carefully selected general reading matter than any other paper in this Congressional District.

An important political campaign is just about to begin, involving the election of a Governor, Supreme Judge, State Senator, member of the Legislature, and a full county ticket. The State and District tickets are of the highest importance as there will be a new apportionment made at the next session of the Legislature. With such an important campaign before us, it is highly desirable to put the Inquirer in the hands of every Republican in the county. We therefore call upon our friends to help us put it at once into the hands of as many of our people as possible. As a further inducement to exertion we have concluded to offer the following desirable PREMIUMS: For one new subscriber and \$2.00 in advance, we will give one number of Scott's novels, 20 cent edition. For two new subscribers and \$4.00 in advance, we will give one number of Scott's novels, 25 cent edition, and one number of Dickens', 25 cent edition. For four new subscribers and \$8.00 in advance, we will give one copy of "One Hundred Selections," bound in cloth, or four Nos. Dickens'. For six new subscribers and \$12.00 in advance, we will give one copy of "The Pickwick Papers," five Nos. Dickens' works, or one copy of "Templeton's or Barn's poems," worth \$1.25. For six new subscribers and \$12.00 in advance, we will give one copy of "Diamond Dickens," Longfellow or Whittier, worth \$1.50. For twenty new subscribers and \$40.00 in advance, we will give a complete edition of Dickens' works (25 vols. bound in paper). For twenty-five new subscribers and \$50.00 in advance, one large family bible, bound in best morocco, full gilt. For thirty new subscribers and \$60.00 in advance, one copy of Webster's Unabridged Dictionary, illustrated edition, with 3000 engravings, and worth \$12.00. The above premiums are offered for new subscribers only, and we will not substitute any book on the shelves of the Inquirer Book Store of the corresponding price when a desired. Parties unable to raise clubs large enough to entitle them to a copy of the titles or dictionary will be allowed the premium for the number they do raise, and can have either of the above books by paying the difference.
