Everybody has suffered so much from the accursed credit system, if system it can be called, that I intend to offer to everybody a Panacea for the evil in the tuture. On and after the lat day of June, 1869, I will sell EXCLUSIVELY FOR CASH OR PRODUCE. No doubt some customers may be lost to me, but I flatter myself, that it will be only those from whom I cannot collect present accounts. All goods will be sold at about one-half the profit now paid by customers. The People often complain of Bedford prices being higher than elsewhere, and doubtless true to some extent, and for the gason that good customers have had to pay for others goods, with an additional profit on their own. Let an intelligent community sustain me in this enterprise and they will save ten to fifteen per cent on everything they consume.
