where memory is stirred by a thousand laring and where the blood of both armies met and fought hand to hand, where the blood of both friend and foe was mingled together and ran down the mountain-side in rivulets, is a smooth faced rock, upon which a poor, wounded soldier inscribed the following:

"S. T.—1800—X.—Early in the battle I was wounded, and carried to this spot by two clever 'Yanks.' They hade me farewell, and as they sampposed, to die, for I was so weak from the loss of blood that I could but faintly thank them for their kindness. They left in my canteen a part bottle of PLANTATION BITTERS, to which I owe my life for it strengthened me, and kept life within me until help came and my wound was dressed. God bless them for their kindness, and for the PLANTATION BITTERS,"

1786. WEEKLY GAZETTE 1870. Is the largest and cheapest weekly paper pub-lished west of the Alleghenies. It circulates

ours, and on this account has become most opular with Merchants, Drovers and Farm-

popular with Merchants, Provers and Farmers, who look upon it as an indispensable necessity in their business.

It gives the latest quotations in Wool, Cattle, Pry Goods, Groceries and the Produce of the Farm. It is the only paper that reports the Live Stock Market of Pittsburgh and Allegheny Specially for itself, giving each week a full report of the number of Cattle, Hogs and Sheep sold, weight of each, price paid, and the name of the seller and Buyer.

price paid, and the name of the seller and Buyer.

In all cases of littigation in the Courts, the Market Reports of the Gazette are used as evidence, which shows its reliability as well as its superiority in this respect. It gives the News of the Day from all parts of the world. But it contains each week, in addition to the above, the best suggestions on the Farm and Garden to be found anywhere.

Terms—Single copy, per year, \$1.50; in clubs of five, \$1.25 for each copy, clubs of ten, \$1.15, and a paper to the getter up of the club. Thus in one year the subscriber to the Weekly Gazette receives an amount of matter equal to many volumes, for the small amount of \$1.50 or \$1.15, and more matter than other journals sold at \$2.00 per year.

Owing to its rapidly increasing circulation the proprietors will be enabled to make it even more interesting during 1870 than it has been previously. Address

PORTY THOUSAND CASES OF GOODS were shipped from our house in One Year, to families, clubs, and merchants, in every part of the country, from Maine to California, amount-

one in value to over ONE MILLION DOLLARS.

Our facilities for transacting this immense business are better than ever before. We have agents in all the principal cities to purchase goods from the Manufactures, Importers, and others, for Cash, and often at an immense sacrifice from the original cost of production.

Our stock consists, in part, of the following goods:—

Morrocco Travelling Bags, Handkerchief and Glove Boxes, &c.
Gold and Plated Jevel-y, of the newest styles.
We have also made arrangements with some of the leading Publishing Houses, that will enable us to sell the standard and latest works of popular authors at about one half the regular price:
such as Brinon, Moorie, Burss, Milron, and Tennyson's Works, in full Gullt and Cloth bindings,—and hundreds of othes.
These and excepting side for

extra premiums that we now give, just the same as if you had paid 10 cents for each one of your Tickels. We wish you to understand that not any other firm in the business can compete with us in any way whatever.

As this free ticket is only good for the Holidays, you must send in your orders before the 20th of January 1870.

errible disease, and exterminate it, root and oranch torever.

They alleviate more agony and silent suffering than tongue can tell.

They are noted for curing the most desperate and hopeless cases, when every known means fail to afford relief.

No form of dyspepsia or indigestion can resist their penetrating power.

DR. WISHART'S FROM \$5 TO \$10 PER DAY

Can be made by any one with the Amèrican Knitting Machine, knitting stockings, &c., while expert operators can even make more knitting fancy work, which always commands a ready sale. A person can readily knit from twelve to fifteen pairs of steckings per day, the profit on which will be not less than forty cents per pairs.

Can sell their wool at only forty to fifty cents per pound; but by getting the wool made into yaro at a small expense, and knitting it into socks, two or three dollars per pound can be realized. On receipt of \$25 we will forward a machine as ordered.
