Evening Session.

Convention called to order by Chairman. The meeting was then entertained with a lecture on the subject, "The Teacher 2" by J. N. Terolines, and the court of the subject, the court of the subject of the su

CARRIER'S ADDRESS.

KIND PATRONS :--All hail! once more the Carrier Boy Attunes his harp to song; May each vibrating chord be strikes The dulcet strain prolong: He comes with gladness in his steps, And skips along the way To wish his patrons, one and all,

A Happy New-Year's Day! 'Tis just a year ago, to-day, Since we together met; Our hearts were happy then, as now, O'er cares we did not fret, So let us on this joyous morn, Be equally as gay-

Then here's to patrons, one and all. A Happy New-Year's Day! The year just closed auspicious was, Abundance crowned its flight; The waving grain, the tempting fruits Met everywhere the sight

The plenteous board; abounding health Have blessed us all the way-So here's to patrons, one and all. A Happy New-Year's Day! Tis true we've had some things to mar

The pleasures we have had, But the cup of life is ever mixed With good things and with bad; Our streets have been in horrid plight Our hydrants dry, they say. But notwithstanding all of this

Here's a Happy New-Year's Day! 'Tis queer that whilst we've waded mud, And soiled our dainty (?) feet, That water! water! is the cry Re-echoed on the street. Strange anomaly! we're wet; we're dry,
But still we will be gay,
So here's to patrons, one and all,

A Happy New-Year's Day! Oh City Fathers! where are ye? Where do you hide your faces? Can you rest easy when such things Gird up vonr loins! and go to work And for you we'll ever pray, And g'adly shout for one and all, A Happy New-Year's Day!

Again, we've had some "broken banks!" In money quite a smash, But 'midst the din dissolving them We have withstood the crash; To some, perhaps, 'tis dreadful quite To some it does not "pay"

But here's again, to one and all, A Happy New-Year's Day! So much for local matters-let us turn To affairs about the nation. Or things in general "turning up" Within this broad creation

The "boundless Universe" we grasp: There's nothing in the way-So here's again to patrons all A Happy New-Year's Day! The President's Message-what of it? 'Tis sound as well as terse-

Tis first-rate—able—excellent! But would scarcely suit for verse He talks of things affecting us As a Statesman only may, Then here's to Grant-to patrons all.

A Happy New-Year's Day! Of Cuba now I'll say a word-Most nobly has she fought: We hope she'll get "belligerent rights' As certainly she ought:

The spanish yoke she's thrown off, And from her cast away-Then here's for struggling Cuba A Happy New-Year's Day! In Utah there is something up;

Old Brigham, the old cuss Tis shrewdly thought, is fully bent On "kicking up a muss," But if he does we'll thrash him well, And take his wives away-But here's to Brig and all his "frows' A Happy New-Year's Day!

But here I'll wind this medley up Lest I your patience tire; I hope that you, in reading it, And I will feel much gratitude If you'll fork o'er some pay, And in Stentorian tones I'll shout,

A Happy New-Year's Day!

A YER'S CATHARTIC PILLS, FOR PURIFYING THE BLOOD A YER'S CATHARTIC PILLS.

FOR PURIFYING THE BLOOD,

Perhaps no one medicine is co universally required by everybody as cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative PILL. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have rot, know that it cured them; those who have rot, know that it cured them; those who have rot, know that it cured them; those who have rot, expenditure of the control of the c

the box, for the following complaints, which these PILLS rapidly cure:—
For DYSPEPSIA or INDIGESTION, LIST-LESSNESS, LANGUOR and LOSS OF APPETITE, they should be taken moderately to stimulate the stomach and restore its healthy tone and actior.

For LIVER COMPLAINT and its various symptoms, BILIOUS HEADACHE, SICK HEACACHE, JAUNDICE or GREEN SICK.
MESS, BILIOUS COLIC & BILIOUS FEVERS, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHEA, but one mild dose is concrally required.

For DYSENTERY or DIARKHUEA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PAL-PITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy. As a DINNER PILL, take one or two PILLS to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and howelf-into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
