Resolved, 6. That the administration of Governor Geary meets the approval of all true Republicans, and that in the lessening of taxes and the rapid payment of the state debt, the people have the most convincing proof of his faithfulness and ability.

Resolved, 7. That as citizens of Bedford County, we protest against the extravagance and mismanagement of our County and Poor House finances and charge the responsibility therefor upon our political adversaries, who have so long had exclusive control, and that we call upon the tax payers to awaken to their true interests and inaugurate reform, and that we favor the immediate election of a suitable Poor House, properly located, such as will relieve the county from the disgrace of the present state of affairs.

Resolved, 8.
