LOCAL INTELLIGENCE.

WILLIAM L. MADDOCK & CO., dealers in fine groceries, No. 115 South Third Street (opposite the Girard Bank), Philadelphia.

IT is said that Mercur is using his extra two thousand dollars as an electioneering corruption fund. Does anybody know whether that helped the *bolt* in Columbia County?

A BLACK bear was killed last week by James Conner, in Benton township. This is a rare occurrence in this section of country. We learn that Mr. Conner had only a shot gun with him at the time.

A DEMOCRATIC meeting was held in the Court House, in this place, on Thursday evening. Speeches were made by General William H. Miller, of Harrisburg; Franklin B. Gowen, Esq., of Pottsville; and Senator Buckalew.

CAPTAIN REES J. MILLARD has received the appointment of Postmaster at Orangeville, and has taken charge of the office. Captain Millard served in the army faithfully, and richly deserves this compliment.

THE friends of Judge Elwell are making a vigorous fight in Bradford, in Sullivan, and in Wyoming. His majority in Montour will probably reach six hundred! Let us do our whole duty in this county and victory will be secured.

WE urge all our readers who are electors to vote against Mercur, the negro suffrage and disunion candidate for Congress, on Tuesday next, and in favor of Judge Elwell, the conservative candidate. The peace, harmony, and prosperity of the country require such action by the patriotic men of this district, independent of all party consideration.

WE learn from Dr. Harrison, of this place, that a novarium tuber weighing near twelve pounds, and containing more than twenty-two pounds of water, was removed from Mrs. Wartz, by Dr. At Lee, of Philadelphia, a short time since. This difficult operation was performed very successfully, and the lady is doing well.

COLONEL TATE has retired from the field as a candidate for Representative. The main reason appears to be the alleged complicity of P. John with the movement in his favor. John can touch nothing without making it odious. His touch is contamination, and his companionship disgrace. We give the Colonel's letter of declination in another column.

MR. P. M. TRAUGH, of Berwick, in a field of sixteen acres, has raised one thousand shocks of corn; fourteen bushels of onions, from the seed; four tons of hay; one hundred bushels of potatoes; one thousand heads of cabbage; four hundred bushels of ruta-bagas; fifteen loads of pumpkins. The writer states this, to a great extent from personal observation, and has the assurance of the neighbors that it is rather under than over overstated.

ACCIDENT.—On Wednesday of last week, Mr. Michael Brittain, a resident of this county, while engaged in gathering apples near Light Street, was precipitated from the tree by the breaking of the limb on which he was, striking the ground with such force as to cause a compound fracture of the leg, a portion of the bone of which came through the boot. We learn from Doctor Harrison that he is doing as well as could be expected under the circumstances, and that he has hopes of saving the leg.

THE SWISS BELL RINGERS.—We copy the following beautiful extract from the *Christian Advocate*, complimentary to the world-renowned Alleghanians, Vocalists, and Swiss Bell Ringers, who appear at Snyder's Hall on Saturday evening next. It says: "They are all talented and gifted performers, and a high and blessed mission is theirs, going from city to city, and from village to village, speaking to the great heart of humanity—now in the stirring notes of high and noble song, and again in the sweet and soothing strains of beauty—they are ministers of good, reaping in fields which the same truth, dressed in sterner garb, would leave sheaveless."
